From the Town Manager

Dear Reader:

I am honored to have had the Barnstable Town Council select me to be the next Town Manager in Barnstable. I am committed to serving our community in the best manner that I am capable of doing.

I want to thank my wife Christina and family (Elizabeth, Caroline, Teddy, Harry, Lucie and Lillie) for supporting me. It's essential in all that I do. Without that I am certainly not able to go forward with the many things I am involved in. I would also like to thank Tom Lynch for his friendship and dedicated public service.

Barnstable is a unique community to live in, to do business in, and to visit. I live here and I know that in taking this position my understanding of our community will positively influence how I manage our organization. I will manage it with commitment to public service and in an open and honest way. I will manage it with compassion for all those in our community that we need to serve.

I am excited about this opportunity and appreciate the confidence the Councilors have in my ability to do the job. I want to thank those of you who have reached out with kind words of encouragement. I look forward to partnering with the Town Council to address the challenges we face and keep Barnstable moving forward.

Sincerely,

Mark S. Ellis

July Gems From the Town Clerk's Office

All dogs need their new tags on as of July 1, 2016. If you have not purchased a new dog license – come on down to the Town Clerk's office, or send your request and check by mail. Remember, beginning August 1, 2016, a new license will cost you more money due to a late fee of \$5.00 on top of the cost of your license. So save your money and take care of this now!

Our office is gearing up for the fall elections. This fall we will have a State Primary Election on **THURSDAY**, September 8, 2016 and the State Election will be Tuesday, November 8, 2016. So come on out to vote. Remember your vote is your voice!

If you are a registered voter, hopefully you filled out your census this year because that form is a voter confirmation certificate as well. By responding to the census, you are providing proof of your residency to protect your voting rights. To avoid any delays at the polls this fall, please call our office to verify your voter status. If you are inactivated, you may have to show current ID and fill out a form to prove you still live at that address.

If you want to confirm your residency/voter status you can stop by our office or call 508-862-4044.

If you have moved, even within the town of Barnstable, you need to inform the Town Clerk's office so we can update your voter information. Remember every vote does count, and we want to count your vote!!!

Have a great summer,
Ann M. Quirk, CMC, Town Clerk

Hyannis – Parade starting at 4 PM

A Seaside Celebration

Presented by Town of Barnstable 4th of July Parade Committee

Hyannis Main Street – A Seaside Celebration is this year's theme for the 18th Annual Hyannis 4th of July Parade, and it surely will be that, as one of Cape Cod's largest parades will once again offer an afternoon of family-friendly entertainment on Hyannis Main Street for residents and visitors alike. Once again, the parade will take place on July 4th on Main Street, Hyannis at 4pm. The parade route will start at the intersection of Ocean Street and Main Street and then finish at Sea Street. Parade float entrants will be judged and the winners will be awarded ribbons after the parade on the Hyannis Village Green. Immediately following the awards ceremony, the Town of Barnstable Band will perform patriotic songs at the Town Bandstand on the Hyannis Village Green until 6:30pm. After which, the festivities move to Aselton Park where a band will play before the fireworks, which begin at dusk. The fireworks are visible from beaches and locations facing Nantucket Sound. Fan favorites like Pogo Dave, bagpipers Colum Cille and the Yarmouth Minutemen will be on hand alongside local bands Mike Dumas & Platform Soul and Jo & Co who will be rocking along the route. Meaghan Kenney who is organizing the parade for a fifth year is always moved by the community support it receives. "Local businesses like Baxter's Boathouse are the reason that we are able to put on a parade of this scale year after year. They care about showing the best of Hyannis, and helping the Town put on a good show for everyone. It is events like these that bring the community together, and create so much joy and good will." Leading the Parade as Grand Marshals will be longtime Barnstable residents Peter and Judy Scarafile. Both are very involved in the Cape Cod community volunteering for organizations like Big Brothers Big Sisters, the Cape Cod Chamber of Commerce, The Cape Cod Times Needy Fund, and the American Red Cross, and have received many local awards for their service. But perhaps it is their decades long involvement in the Cape Cod Baseball League – America's past time – that make them perfectly suited to lead the largest local celebration of America's birthday. **Parade Parking:** Parking Ban from 2 PM to 6 PM on Main Street, Hyannis. Main Street and South Street will be closed to motor vehicle traffic. Also all of Main Street; Old Colony Road and Ocean Street from South Street to Main Street will be closed to motor vehicle traffic beginning at 3 PM.

News You Can Use

An Update from the Assessing Department:

The month of July brings visitors and warm weather to the Cape but it also begins the period to apply for all the types of tax exemptions for Fiscal Year 2017. The qualification date required by the elderly, blind and veterans exemptions is July 1 of the fiscal year, every year.

Each exemption has its own specific requirements for qualification and the applications and qualification requirements are available on our Assessor's webpage on the Town's website, at the Department of Revenue website or at our front counter. The residential exemption has a different qualifying date of January 1 prior to the fiscal year being applied for. For example, to qualify for the upcoming FY2017 residential exemption, if adopted by the Town Council again, you must first own and occupy your property as of January 1, 2016 and then file the application and documentation on or after July 1, 2016. All exemptions received and qualified by the Board of Assessors by the end of October will be reflected on your actual tax bill, normally issued at the end of December. For all exemptions, you may still apply up to 3 months after the actual tax bill is issued.

The issue that causes the most problems with qualifying for any of these exemptions is missing documentation that supports the application. In the case of the elderly exemption it is usually incomplete income and asset information that requires us to contact the applicant to request the missing information and that delays qualification and sometimes causes denials. So, if applying, be sure to completely read the instructions, fill out the applications and supply copies of the required information prior to submitting it to this office. Also, the blind, elderly and veterans exemptions require a new application every fiscal year while the residential exemption only has to be done once or until the ownership status changes. If you fail to apply within the statutory times outlined above in any one year, the Board of Assessors has no authority to grant the exemption for that year, regardless of otherwise being qualified.

If you have any questions when working with these applications, please call the Assessor's Office at 508-862-4022 and we'll be happy to answer them to ensure that you receive the exemption you're entitled to in a timely manner.
