

The Barnstable Bulletin

A MONTHLY
TOWN OF BARNSTABLE
NEWSLETTER
October 2014

From the Town Manager

Dear Reader –

I don't think that I have ever been more proud of the Town of Barnstable than I was during the celebrations of our 375th Anniversary.

Sunday, September 21st was truly a day of celebration. I would like to thank everyone who served on the 375th Committee and all the volunteers who came together to help out during the events. They say it takes a village, but in our case, it took a Town.

I am still beaming with pride at how our 375 village events all came together with our town-wide picnic and concert celebrations. The picnic had such a comfortable feel to it with citizens of all ages coming together to enjoy the day. A lot of hard work by all involved to make this such a successful event.

The concert was a love letter to Barnstable. The level of talent was so impressive and Brett Abigana's "Seven Faces of a Stone" really reflected the theme of seven villages, one town. So many of the concert goers told me how proud they felt being a citizen of Barnstable. Their comments reinforced the way I feel about Barnstable every day.

We have been blessed with a truly beautiful summer that has been enjoyed by residents and visitors alike. We hope that the fall will bring with it many seasonal pleasures.

We are fortunate on Cape Cod to experience all four seasons. Each brings its own beauty and reminds us of how lucky we are to live, work and play in Barnstable. As we begin the fall season, we are reminded of the changes that not only happen in nature, but in government as well.

We have already begun work on the FY2016 budget process. Finance Director Mark Milne and Budget Director Bob O'Brien provided the Town Council and staff with the FY2016 Budget Calendar last month. Assistant Town Manager Mark Ells and I are working with department heads on both the Capital and Operating Budgets.

Next month Election Day is on November 4th. Each and every vote is important. Remember "the world is run by those who show up" and your vote counts! If you have not already done so, voter registration for the November election ends on October 15th. More information about this year's election is provided under the Town Clerk's section of this newsletter.

Wishing you a pleasant fall,

Tom Lynch

Town Offices Closed:
Monday, October 13, 2014 in observance of Columbus Day.

TOWN CLERK REMINDERS FOR OCTOBER...

It is never too late to get your beagle legal! We still have many dog owners in town who have not registered their dog for this year. Please do so immediately in order to avoid a possible additional fine.

To register your dog, please send in by mail a copy of the current rabies certificate and a check for \$12.00 (if the animal is spayed or neutered) or \$15.00 (if the animal is not spayed or neutered). Included in this charge is a late fee since all dogs were to be licensed by July 1, 2014

Dogs must be licensed every year. The licensing year runs from July 1-June 30. So take a look at your dog, and if they do not have a Town of Barnstable tag in the shape of a "PAW" you need to register them now.

Also, our State election is scheduled for **Tuesday, November 4, 2014**. All polling places will be open during the normal voting hours of 7:00 a.m. – 8:00 p.m.

The last day to register to vote for this election is Wednesday, October 15, 2014. The Town Clerk's office will be open with Registrars on hand until 8:00 p.m. If you are already registered you do not need to re-register ; however, if you have moved or recently re-located please call our office to confirm your current registration (508-862-4044).

If you did not receive a census form the beginning of the year, we recommend confirming your voter registration prior to October 15, 2014. We can do our best to correct your residential and mailing addresses so that you will have no problems at the polls.

Any questions about licensing or voter status please call: 508-862-4044. We are here to help. The Town Clerk is open for business from 8:30 a.m. – 4:30 p.m. Monday through Friday, Barnstable Town Hall, 367 Main Street, 1st Floor, Hyannis, MA 02601

Happy Halloween,

Ann M. Quirk CMC and *Janet Murphy*

Town Clerk
508-862-4044

Assistant Town Clerk

Barnstable Libraries' October Calendar of Events

A full calendar of events at the seven Barnstable libraries can be found at <http://www.sturgislibrary.org/barnstable-libraries-calendar-of-events/>.

Hard copies are also available at your local library.

A reminder that the libraries are closed Monday, 13 October in observance of Columbus Day.

A Friendly Reminder from Animal Control: As of September 16th, dogs are allowed back on Town Beaches and recreation areas. Animal Control would like to remind you that dogs must be leashed at all times. Please pick up any waste (dog droppings) and remove from the property.

Be sure to check out the fun and exciting exercise classes at the Barnstable Senior Center. Visit the Senior Center page at www.town.barnstable.ma.us or call 508-862-4750.

Superintendent's Corner

Welcome back to the 2014-2015 School Year. On Tuesday, September 2nd we welcomed back approximately 5,200 students to Barnstable. It was an extremely smooth opening to the new school year. Students and staff were excited to return to a focused-learning classroom environment. Thank you to the Barnstable School custodians and maintenance staff for the cleanliness of our schools and classrooms, as well as, the manicured school grounds.

What is constant, yet ever new and changing? The answer to that conundrum is the teaching profession. From blackboards to iPads, technology has impacted the ways in which teachers teach and students learn. Yet, the three "R's" are still as important today as they were at the turn of the last century.

Unlike other professions, we are so fortunate to work in an environment where there is a definitive beginning and end to each year. We look forward to the challenges of each school year and to meeting new students who will be attending our schools. Likewise, each June we eagerly anticipate the culmination of a productive year, secure in the knowledge that we have provided students with the necessary academic tools for them to succeed at the next level.

Thank you to all of our employees for your continued efforts to move our school district forward! Together, we help students to grow and achieve their full potential. Great schools like ours count on educators like you, whose commitment and caring is evident on a daily basis. Because we all strive to make each child count, our theme for the 2014-2015 school year is *"Teaching, Leading and Learning: What Matters Most."* With this theme in mind, we will focus on the following four Key District Priorities:

1. Continue the work of educator evaluations, setting meaningful goals and reflecting upon our impact as educators on student learning.
2. We are partnering with NCLD (National Center for Learning Disabilities) to develop a tiered system of academic, social, emotional and behavioral interventions.
3. Construct a teaching and learning environment that is conducive to all Pre-School students who enter our schools for the first time.
4. A district review conducted by the Massachusetts Department of Elementary and Secondary Education to assess and improve upon our programs.

We are so fortunate to live on beautiful Cape Cod. The fall is a wonderful time of the year, and school back in session, let's enjoy it!

Dr. Mary A. Czajkowski
Superintendent of Schools

Superintendent Dr. Mary Czajkowski, BTA President Brooke Styche, Assistant Superintendent Kristen Harmon and BTA Vice President Michael Wojkowski participate in the Ice Bucket Challenge at Opening Day Festivities.

News You Can Use

Town of Barnstable Assessing Department

The Assessing staff is finalizing valuations for FY2015, in preparation for the tax rate hearings in November. Real estate market valuations are recovering slowly from the recent fiscal crises but are definitely strengthening. Some taxpayers will see the impact of that recovering market on their valuations for FY2015.

If you have not yet filed an application for an exemption you are qualified for, time is running out to see them on your tax bill. Applications must be submitted and successfully processed by the beginning of November to be posted to your actual tax bill. You may still submit applications through the end of next March but will have that reduction posted to the remaining balance of your tax bill instead. If you have already qualified for the residential exemption in a prior year, you do not need to file again and this is the only exemption that does not require annual filings with our office. We encourage you to review your tax bill or property record on-line in January after the actual tax bills are issued to ensure you have received any exemptions you are qualified for. If you have not been properly credited, you have until the end of March to file an application or abatement request with the Board of Assessors. State law does not allow the Board of Assessors to act on any issue that is not brought to its attention in writing within the statutory time limits each year. Please call our office at 508-862-4022 if you need further explanation or guidance on these or any other issues.

Barnstable Residents – an opportunity to become involved in your town's government, apply for a position on a board committee or commission.

The Town of Barnstable has over 40 boards, committees, and commissions with approximately 291 seats. Our citizen participation is exemplary and the Town Council appreciates each and every member who serves. When a member moves on, opportunities for new members become available. If you are resident of Barnstable and believe you have something to offer a board, committee or commission with an open seat, please consider submitting an application. The appointments committee, made up of five Town Councilors, will interview applicants and make recommendations to the Town Council who vote to appoint members at their regular meetings.

Town Council Appointments Committee Announces Committee Appointment Opportunities

- Comprehensive Financial Advisory Committee (1 member)
- Council on Aging (2 associate members)
- Cultural Council (2 members)
- Disability Commission (2 members)
- Golf Committee (1 vacancy)
- Housing Committee (1 member)
- Human Services Committee (a representative member)
- Hyannis Main Street Waterfront Historic District Appeals Committee (2 members)
- Hyannis Main Street Waterfront Historic District Commission (an alternate member)
- Licensing Authority (an associate member)
- Recreation Commission (1 member)
- Water Pollution Control Board (1 member)
- Zoning Board of Appeals (2 associate position)

If you are a resident and registered to vote in the town of Barnstable and are interested in serving on a board or committee, please visit our webpage linked from the town website and fill out the application: <http://www.town.barnstable.ma.us/towncouncil/committeeapp.pdf>, for a more detailed description and responsibilities of the committees listed please contact the Town Council office: council@town.barnstable.ma.us or phone 508-862-4738 for more information.

Councilor John Norman, Chair, Barnstable Town Council Appointments Committee

News You Can Use

The Truck 95 Experiment

As you can imagine, the vehicles we use to accomplish our work are expensive. These are necessary tools to do our job, but we are always looking for ways to stretch the Town's resources. This winter we will be conducting an experiment that may do just that. A new tri-axel dump truck, which the department uses for heavy construction and as part of our snow and ice removal fleet can cost close to \$200,000.

The experiment is to utilize a surplus Army vehicle we own this winter, to see if it can perform the same functions, and be as reliable, as the "civilian model". We had our truck painted to match the rest of our fleet, made a plow frame for it, installed a better seat for our operators, and retrofitted the electrical system to support our communication radios. All told the Department invested approximately \$10,000 into this vehicle (including its acquisition costs). Before and after pictures of "Truck 95" are below. It will be interesting to see if it can take the pounding, if the maintenance costs are reasonable, and if we can get parts in a timely manner. If it works, it could be a real savings for the Town. So this winter, if you see a big red Army truck going down the street, you will know it is Truck 95 trying to make the "DPW team."

Please feel free to be in touch with us if you have any questions, or concerns about your public infrastructure. Our phone number is (508) 790-6400.

STATEMENT BY AIRPORT MANAGER ROLAND 'BUD' BREAUT

As the seasonal jetBlue air service between Barnstable Airport and New York-JFK comes to a temporary close, it's time to applaud its extraordinary success. In eleven weeks, between June 26th and September 7th, more than 12,000 passengers used the once-a-day service in both directions. On average, flights on the airline's 100-seat Embraer twin-engine jets were 85 percent full.

The results confirm our belief that there is great potential for expanded air service from Hyannis to points beyond Boston and the nearby islands. jetBlue recognized that promise and responded with superb service that drew customers in numbers beyond our original expectations. It was all about convenience, speed and quality.

There's no doubt that jetBlue's New York service enhanced a successful summer season on Cape Cod and helped lift the Cape's overall economy.

Looking ahead, we have invited jetBlue to return in 2015 with service that begins earlier in the calendar year and extends into the fall season. We are reaching out to other regional air carriers, urging them to learn from jetBlue's success and establish new air service between Cape Cod and more distant destinations.

News You Can Use

A Note From the Town Collector:

Where did the summer go? This is the question we are asking in the Town Collector's office and I am sure many of you are asking the same question.

It has been a very busy year for myself and my staff and we are rapidly approaching the due date of the real estate and personal property tax bills for the second quarter of FY2015, which will be due on November 3, 2014. PLEASE NOTE: you should have the coupon that indicates the amount due for the November remit, which was mailed in the three part bill back on July 1, 2014. If you have any questions, please call our office at **508-862-4054**. This is the taxpayer's responsibility! We have been on a quarterly billing system since FY06 and many taxpayers are still confused. If you have a question, it is best to call upon one of the staff members at the office than not to call as a delay in payment can be more expensive for the taxpayer. A schedule of payments is included in your mailing of the tax bills: :

Payment Schedule for Real Estate and Personal Property Taxes for Fiscal 2015 Preliminary Tax Bills mailed by July 1, 2014

- ✓ First Quarter **due August 1, 2014**
- ✓ Second Quarter **due November 3, 2014**

Actual Tax Bills mailed by December 31, 2014

- ✓ Third Quarter **due February 2, 2015**
- ✓ Fourth Quarter **due May 1, 2015**

Any change in ownership, mailing address or anything that needs to be changed on your bill should be addressed immediately with the Assessor's office. The amount of returned mail for various reasons is incredible and we do our best to try to find the correct destination, but the staff does not have a lot of time to devote to this issue. There are several billings that go out for motor vehicles and sewer rental that need to be posted along with the normal duties, leaving very little time to do "catch up". We try our best to accommodate taxpayers with our limited staff.

We wish you an enjoyable Fall season!

Regards,

Maureen E. Niemi

Town Collector

and staff of Gislaine, Grace and Laurel

From the Marine & Environmental Affairs and Harbormaster Office:

All boaters are advised that pumpout service will end for the season at various times in October. The boats will run through Monday, October 13, 2014. The shoreside facility at Barnstable Harbor will finish for the year on Friday, October 24th and the southside facility at Bismore Park will be in operation until Friday, October 31, 2014.

As always, service can be scheduled by calling the Harbormaster's Office at (508) 790-6273, on the water by hailing the pumpout boat on VHF channel 16 or 09, or by taking advantage of the new email address: pumpout@town.barnstable.ma.us. Thank you to all who have utilized this service over the course of the season, and we look forward to seeing you on the water next year.

Events

BARNSTABLE SENIOR CENTER OCTOBER HAPPENINGS:

ACTIVITIES & WORKSHOPS

Barnstable Senior Services Community Forums Oct 7, 2:00 and 5:30 p.m.

RSVP-Free

We have partnered with the UMASS Boston Gerontology Institute to conduct a Needs Assessment for the future of aging services in the Town of Barnstable. If you are over 50, we welcome you to lend your voice so we can adequately prepare for the present and future needs of this growing population. We invite you to participate in one of the two forums scheduled. We need your input and support!

Aging Mastery Program

Oct 15- Feb 4, 2-4 p.m.

RSVP-Free

We are pleased to announce that we will be offering an innovative 14-week health and wellness package to residents 50 and over. The goal of the program is to educate and empower older adults to master the aging process and make and maintain small but impactful changes in health behaviors. The topics that will be covered in the program include *Physical Fitness, Communicating with your Doctor, Fall Prevention, Use of Medicare Prevention Benefits, Medication Management, Healthy Eating, Planning Your Future, and Sleep Behavior*. For each of these modules, we will provide educational materials developed from highly trusted sources, a presentation by an expert speaker, a checklist of potential next steps, and a system for tracking behaviors. Participants will be eligible for rewards. A healthy snack will be provided at each class. RSVP is required. Contact the Senior Center for further information.

Last Sunset Roundtable Discussion

Oct 21, 3-5 p.m.

RSVP-Free

The Barnstable Senior Center is offering a series on the subject of caring for 80+ year old parents that want to stay in their home. The following topics will be filmed and shown on the Town of Barnstable's Channel 18 TV through October: Then join a roundtable discussion on **October 21 from 3-5pm** at the Senior Center. This will be your opportunity to ask questions of the presenters and enter into the discussion.

Tips to Becoming a Better Consumer

October's Tip...Home Heating Oil Deliveries.

As the winter starts to draw closer, weights & measures inspectors throughout the state begin their annual inspections of home heating oil truck meters. Each year oil truck meters are tested and sealed to ensure compliance. The home heating oil is delivered into the appropriate test measure, the result is recorded and if within tolerance the meter is then sealed with a current security wire. The security seal will prevent tampering of the meter calibration unit as well as the other meter components. As part of the test, a delivery ticket is inserted into the printer to check for information that **MUST** be provided for the consumer to see at the time of delivery.

The delivery ticket shall provide the following information:

- Serial number of the ticket
- Name and address of the buyer and seller
- Date of delivery
- Person making the delivery
- Amount and type of fuel delivered
- Price per gallon

Things to look for...

- When the delivery has been made to your home, confirm that you received the delivery with a ticket that includes all information listed above.
- If you participate in a "lock-in" price program, be sure that when your statement arrives the quantity charged is what was delivered and the agreed upon price is charged.
- Contact the local weights & measures department with any concerns regarding the delivery of home heating oil deliveries.
- If you do issue a consumer complaint, do so immediately with as much information for the inspector as possible.

QUICK FACT: In 2013, the Town of Barnstable tested and sealed 124 Vehicle Tank Meters in 10 towns on Cape Cod. Of the 124 meters tested, 13 needed adjusting; this resulted in saving both the consumers and merchants \$35,454.13.

If you have any questions or concerns regarding the performance of a commercial weighing or measuring device used for trade, bring it to the attention of the merchant. If the problem is not resolved, contact the local Weights & Measures office for advice and/or assistance. The Barnstable Weights & Measures jurisdiction includes; Barnstable, Bourne, Brewster, Chatham, Dennis, Harwich, Mashpee, Orleans, Sandwich and Yarmouth.

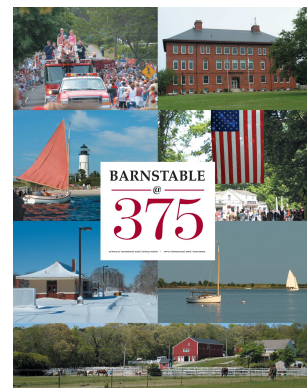

We can be contacted at: 508-862-4671 OR www.town.barnstable.ma.us link to Regulatory Services, link to Consumer Affairs Division, link to Weights & Measures.

Barnstable @ 375 Books Available Now! Celebrate Barnstable's 375th Anniversary!

**Seeking artists to participate in the
2015 Hyannis HyArts
Artist Shanty Program
Hyannis Harbor**

Call to artists for the 2015 season! The Town of Barnstable is seeking artists and artisans interested in selling their artwork in the artist shanties located on Hyannis Harbor, in the HyArts Cultural District. All artwork will be juried.

First round deadline, November 21st, 2014.

The artist shanties are open weekends mid-May through mid-June, then seven days a week through the end of September. Each season the shanties host new and returning artists creating and selling work in many forms including jewelry, photography, painting, wood carving, fiber arts, mosaics, ceramics, tapestry and literary arts too.
