

## The Barnstable Bulletin

A MONTHLY  
TOWN OF BARNSTABLE  
NEWSLETTER

**January 2017**

### From the Town Manager

Dear Reader:

We have many new resolutions here at Town Hall. We are working on a balanced budget that lives within our financial means. We resolve to follow the Town of Barnstable's Mission which is: To provide the best possible services consistent with our budget policy, to respond to the needs of our community and to openly involve all in protecting our unique character and quality of life. We were pleased to receive word from that the Government Finance Officers Association that the Town of Barnstable has again received the Distinguished Budget Presentation Award.

Growth Management Department Director Jo Anne Miller Buntich will be leaving on January 3<sup>rd</sup>. I have appointed Elizabeth Jenkins, Regulatory/Design Review Planner as Interim Growth Management Director and will work with the chairs of the Planning and Zoning Boards on a permanent replacement. We are grateful to Jo Anne for her dedicated years of service to the Town of Barnstable and wish her well in the future.

This issue of the Barnstable Bulletin provides us with the opportunity to recognize our employees celebrating milestones with their years of service to the Town of Barnstable. In addition to recognizing folks who retired during the past year, we also recognize those achieving milestone years from five to forty-five! These are the people who are on the front line in providing service to our residents and visitors all year long. We are truly grateful for the service all of our employees provide.

We hope 2017 brings each of you peace and joy. Happy New Year to all!

Regards,

*Mark S. Ellis*

## News You Can Use

**Happy New Year to all of you from all of us at the Town Clerk's office!**

We hope you and yours had a wonderful holiday and may this year bring you good health and much happiness.

During the General Election we had a large number of voters that had to spend time filling out the information to prove they are still living in the town. Don't let that happen to you again!

We will be mailing out the Census/Voter Registration forms in mid-January to each household. By responding to the census, you are providing proof of your residency to protect your voting rights. If all the information on your census is correct, simply sign the bottom of the census and send it back to us.

Also, if someone has moved out of your household and is a voter – please give us their address, email or phone number so that we may contact them to obtain verification. We cannot remove a voter without their verification; thus many people stay on the census for 4 years until we can, by law, remove them. If anyone has been added to your household, just put their information down on one of the blank lines. Make any and all corrections on the form.

You cannot register to vote on the census form. You need to pick up a voter registration form at your local library, fill it out and send it in; or if you have computer access you can go directly to the Secretary of State's website and register on line at [www.sec.state.ma.us](http://www.sec.state.ma.us). Then click on "Elections and voting" to register to vote; or come in to the Town Clerk's office and spend a few minutes with us as we enter your voter registration into our computer.

For those residents that live part of the time here in Barnstable, and part of the time in a warmer climate, you fill out the census form using the following guidelines:

You are a Town of Barnstable resident if:

- ✓ This is your permanent address
- ✓ This is where are you registered to vote
- ✓ On your Massachusetts drivers license you have a Town of Barnstable address

As always, if you have any questions, please call the office at 508-862-4044, we will be happy to help you,

## Superintendent's Corner

Happy New Year!

As we ring in the New Year in Barnstable Public Schools, we approach the mid-point of the school year. Our staff and students have accomplished much during the first half of the year, from new academic content, to new friends, to new ways of teaching and learning. What's not new is the commitment of our staff and students to help the Barnstable community in untold ways. Over the holiday season we witnessed our staff and students engage in volunteerism and community service to help those in need. We commend our BPS community for continuing to make a difference in our community!

The New Year also brings us into budget season for Barnstable Public Schools. We are beginning to identify our needs for the 2017-18 school year and beyond. We have submitted our Capital Improvement Projects to the Town for review as we maintain taxpayer investment in our school buildings and grounds. As we develop the Fiscal Year 2018 Budget, school principals and department heads are drafting budgets that place student-centered needs at the forefront of their budget recommendations.

As I complete the first phase of my entry plan – learning about Barnstable from Barnstable – I have learned there is an overwhelming sense of pride about the school system. More so, parents, students, staff, and community members value the wide range of opportunities that exist for our students. Our goal during budget development is to continue and expand upon those opportunities for students, offering a comprehensive, engaging, and high quality education for our 5,100 students. I remain convinced that BPS is an outstanding system, and welcome our community to become engaged in our budget process. The Barnstable School Committee will hear the initial presentation of the Fiscal Year 2018 Budget on February 1<sup>st</sup> in the Town Hall Hearing Room and will hold a Public Hearing on March 15<sup>th</sup>.

Happy New Year!

### News from the Town Collector

Happy 2017! We hope it is a happy, healthy and prosperous year for all.

The FY2017 Real Estate and Personal Property tax bills were mailed December 30, 2016. The three part billing has the remittance coupon for February 1st and the remittance coupon for May 3rd and a Taxpayer's copy.

#### Payment Schedule for Real Estate and Personal Property Taxes for Fiscal 2017

**Preliminary** Tax Bills mailed by July 1, 2016

- ✓ First Quarter **due** August 1, 2016
- ✓ Second Quarter **due** November 2, 2016

#### **Actual Tax Bills mailed by December 30, 2016**

- ✓ Third Quarter **due** February 1, 2017
- ✓ Fourth Quarter **due** May 3, 2017

Please check this bill very carefully as this is the Actual tax bill that reflects any change in the tax rates, assessment, betterment/lien and exemptions. If you have any questions regarding the assessment of the property, you should contact the Assessor's office at 508-862-4022 immediately.

**A few tips:** If you use your own online bill payment system, please take a moment to make sure you have the correct information in the system. **Check should be made payable to: Town of Barnstable, P.O. Box 40, Hyannis, MA 02601-0040** and NOT the Lockbox Service, which is the address on the return envelope enclosed with your bill. The Lockbox Service processes the payments electronically for us and without an encoded payment coupon, your own online check can not be processed this way. Your check needs to be processed manually. You should always **use the parcel id# as the identifying account number for real estate** as this number does not change each year. If the check is addressed to the Lockbox, it is rejected and mailed back to our office, which causes a delay in the posting of your payment and makes your payment late.

Check the Town website at: [www.town.barnstable.ma.us](http://www.town.barnstable.ma.us) to explore the option of scheduling your payment online. If you pay with a checking/savings account, the fee is 40 cents. If you use a debit/credit card, there is a percentage based fee of 2.95% of the amount being paid. These fees are not collected by the Town of Barnstable. If you need any assistance with registering to use the online bill payment system, please feel free to contact my office at 508-862-4054.

A happy, healthy, and prosperous 2017 to all,

**Maureen E. Niemi**

### Senior Center Happenings

#### **Yoga for the Unbendable Person \*\*New\*\***

**Jan. 5-26, 5-6 p.m. Fee-\$24**

This class will help you attain your goals of flexibility, strength & fluidity. The instructor will use movement, relaxation & breath work to teach you how you can have a happier, healthier body that can continue to move in all the ways you need it to move. Movement is the key to a life well lived. Stephanie's classes explore multiple pathways to movement; no two classes are the same. You will learn how to keep your mind, body and spirit moving and grooving in this class—at your own pace. Instructor is Stephanie Blaisdell.

#### **Watercolor for the Beginner \*\*NEW\*\* Jan. 10-Feb. 14, 10 a.m.-12 p.m. Fee-\$60 Materials Fee \$15**

**Paid to the Instructor** This course is designed for the beginning level student by Karen Pinard and for those who want to learn about the art of watercolor painting. The emphasis of this course is to take the mystery out of watercolor painting and reduce the uncertainty or even fear of watercolor. The following supplies will be provided: paints, various papers, supports, **palette**, mat board. Additional supplies needed include a 3 ring binder, and the following brushes # 6 and 12 round and a 1" wash. The painting includes a variety of watercolor studies that will provide the student the opportunity to understand and practice the course material. The instructor will set up simple still life options for each class.

#### **Aromatherapy for a Healthy Winter**

**Jan. 10, 11a.m -12 p.m. Fee-\$5**

Winter can be a difficult season on your physical and emotional health. The days are shorter, it is cold, and colds and the flu are more prevalent. During any season there are a few basics that can help to maintain optimal physical and mental health, such as eating healthful foods, drinking lots of water, exercising regularly, and getting enough sleep. How about a little extra support to get for the short winter days and long winter nights? Essential oils can help you strengthen physical wellness, improve your emotional balance, and fill your home with safe, purifying products. All participants will receive an essential oil to bring home. This program is facilitated by Judi Pregot, of Bayside Holistic Wellness.

**Be sure to check out the fun and exciting programs at the Barnstable Senior Center. Visit the Senior Center page at [www.town.barnstable.ma.us](http://www.town.barnstable.ma.us) or call 508-862-4750.**

# BARNSTABLE'S OPEN BUDGET

Explore Capital Budgets: Amounts as of November 30<sup>th</sup> for fiscal 2017

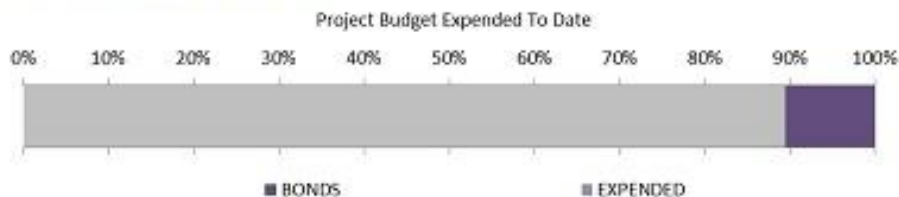

## The Gateway Marina Dredging project is in full swing!

Location: 135 South Street, Hyannis, MA

This project involves the maintenance dredging of the Gateway Marina within Hyannis Harbor to a depth of 6 feet below mean low water (MLW), with over dredge (approximately 2,500 cubic yards of sediment now based upon recent hydrographic survey). This dredging is important in order to maintain free access by shallow draft boats to the floats behind the Maritime Museum. Gateway Marina has experienced shoaling for several years and is now at the point where some of our slip holders and transient boaters are experiencing difficulties accessing

slips at mid to low tides. The Marina is at the end of Hyannis Inner Harbor where the flushing is poor and sediment tends to collect. Harbor staff has had to rearrange some slip assignments because of this as well. As shoaling continues, more of the marina will become inaccessible and the marina will have to operate at less than full capacity.

Description: Excavator and Barge

**Summary:** The Gateway Marina Dredging project has expended 89% of approved budget year-to-date.

The Town of Barnstable's operating and capital budgets are now online at <http://budget.townofbamstable.us>

## News You Can Use

### News from Consumer Affairs- Sealer of Weights and Measures

#### Net Weight Turkey Dinner Sampler Survey

The Barnstable Weights and Measures Division Inspector Kevin Friel conducted a net content compliance test inspection survey of most of the items you would purchase for your Thanksgiving Dinner. This inspection is the determination of the conformance of the results of the packaging to legal requirements for net weight declarations. As with most of our inspection there is a tolerance +/- that is acceptable to the correctness of the inspection; we conduct these inspections in the interests of both the consumer and merchant.

#### ***Your rights when buying goods by weight or measure***

##### **Is the weight of the package included?**

Goods bought by weight or measure must be sold to you by net weight or measure. This means that the weight of any packaging must be excluded from the weight or measure statement.

##### ***When goods are weighed in front of you***

Goods weighed, measured or counted at the time of sale must be done so in front of you and you must be able to see the whole operation. Most modern weighing instruments have a tare button. This should be used to zero the weight of the packaging or container before the goods are weighed. Where goods are pre-packed on the premises, you can request that they be re-weighed, measured or counted in front of you.

Inspector Friel was given the task to replicate all the items you would buy for Thanksgiving Dinner to be checked for net weight compliance some items include Turkey, cranberries, potatoes, carrots, cheese and shrimp.

Most of the commodities weighed were accurate to the weight declared. Using the Maximum Allowable Variation (the limit of the reasonable minus variation) and procedures outlined, all the commodities passed inspection. These are a few of the more interesting samples;

Thirty-six turkeys were checked; 15 were correct 10 were underweight and 11 were overweight; these were brought to the store manager's attention and re-weighed. An overall savings to the customer of \$452.60 and \$36.50 savings for the merchant by having these turkeys checked.

Twenty four bags of potatoes resulted in two correct, 11 underweight and 11 overweight based on the calculations the errors were so minimal in the underweight bags that the actual savings were for the merchant of \$470.85.

A 12 count cheese sampler was checked; one was correct, zero underweight and 11 overweight; this was certainly a bargain for any customer but in fairness was brought to merchant attention and based on the 12; the savings resulted in \$6,781.70 to the merchant.

Various meats filet mignon, sirloin tips, top roast all weighed slightly overweight in a sample of 15 items checked. Overall, this sample proved you are getting what you pay for and in some cases slightly more.

If you ever come across a discrepancy on a purchase or if you have any questions or concerns regarding the performance of a commercial weighing or measuring device used for trade, bring it to the attention of the merchant. If the problem is not resolved, contact the local Weights & Measures office for advice and/or assistance. The Barnstable Weights & Measures jurisdiction includes; Barnstable, Bourne, Brewster, Chatham, Dennis, Harwich, Mashpee, Orleans, Sandwich and Yarmouth.

## INSIDE BARNSTABLE TOWN GOVERNMENT WINTER CLASSES

The twenty-fourth session of *Inside Barnstable Town Government, A Citizens Leadership Academy* will begin Tuesday, January 31, 2017. The academy is an 11-week commitment with the goal of educating the citizens of Barnstable about the operations of town government, while also obtaining valuable feedback and participation from those citizens participating in the Academy. The program is designed to advance understanding of and participation in civic affairs as well as to increase awareness of the challenges facing municipal government.

The classes will be on Tuesday evenings from 6:30-9:00 pm and will be held in various locations throughout the Town. The Academy also includes a bus tour of the seven villages. The classes will be conducted by Town staff and provide interactive learning experiences, group discussions, and site tours. **The program is free of charge and open to anyone who resides or works in the Town of Barnstable.** Class size is limited. Please register early to avoid the waiting list.

Applications are available at the Town Manager's Office, 367 Main Street, Hyannis or online at [www.town.barnstable.ma.us](http://www.town.barnstable.ma.us). To receive an application by mail or fax, please call 508-862-4610. For specific information, you may call Academy facilitators Susan French at 508-362-2864 or Arthur Caiado: 508-221-0412.
