

The Barnstable Bulletin

A MONTHLY
TOWN OF BARNSTABLE
NEWSLETTER

July 2014

From the Town Manager

Dear Reader:

As the Town of Barnstable celebrates its 375th Anniversary, the July 4th holiday provides a wonderful opportunity for all of us to remember how fortunate we are to live in America. We celebrate in each of our seven villages in unique and special ways thanks to contributions of hundreds of dedicated volunteers. I thank the civic, village and business associations and each one of you who help make the July 4th holiday so special.

I hope that your busy schedule will allow you and your family to enjoy the myriad of events this month from our annual Fireworks Display to the many Arts and Cultural events happening in Barnstable. This issue of the Barnstable Bulletin includes those events that will help you celebrate America's independence. You may also view the information on-line at www.town.barnstable.ma.us.

A commemorative book in honor of Barnstable's 375th Anniversary will be available as of July 1st. Edited and published by Nancy Viall Shoemaker, the book includes histories of all Seven Villages of Barnstable, updates on the last 25 years and walking tours of each village. We feel this will be a wonderful keepsake celebrating our past and present. Be sure to look out for the 375 Sculpture that is moving throughout the Seven Villages of the Town of Barnstable as we celebrate our 375th Anniversary.

If you would like more information on the 375th celebrations, please visit www.barnstable375.com.

Wishing you and your family a Happy and Safe July 4th Holiday,

Tom Lynch

JULY GEMS FROM THE TOWN CLERK'S OFFICE...

Congratulations to this year's winner of the Barnstable's Best Dog contest! The winning pooch is Lily, a four year old Yorkie; please take a look at Lily on the town website www.town.barnstable.ma.us

Don't forget to put those new tags on your dog. All dogs need their new tags on as of July 1. If you have not purchased a new dog license – come on down to the Town Clerk's office, or send your request and check by mail. Remember, beginning August 1, 2014, a new license will cost you a late fee of \$5.00 on top of the cost of your license. So save your money and take care of this now!

We are gearing up for the fall elections, because it is never too early to think about elections. The State Primary Election is scheduled for September 9, 2014.

If you are a registered voter, hopefully you filled out your census this year because that form is a voter confirmation certificate as well. By the Federal law you must confirm yearly that you are still at your residence and you are still qualified to vote from that address.

That is one of the major reasons we send out the census/voter confirmation form. If you don't return your census – it is assumed by our Central Voter Registry system that you are not there. Therefore, you can become inactivated. That means when you go to vote in September and/or November you may have to show current ID and fill out a form to prove you still live at that address (driver's licenses are sufficient for the ID portion).

If you want to confirm your residency/voter status you can stop by our office or call 508-862-4044.

If you have moved, even within the town of Barnstable, you need to inform the Town Clerk's office so we can update your voter information. Remember every vote does count, and we want to count your vote.

Stop by the Town Clerk's office to see and perhaps purchase a few of the 375th celebration items we have for sale!!!

Have a great summer – and hope to see you at the many events for the 375th Celebration.

Ann M. Quirk, CMC

Town Clerk

Hyannis – Parade starting at 4 PM

Barnstable Celebrates its 375th Year

Presented by Town of Barnstable 4th of July Parade Committee

Hyannis Main Street – For the 16th year in a row, the Town of Barnstable will host the largest parade on Cape Cod. The parade route begins at the intersection of Ocean Street and Main Street and ends at Sea Street. 2014 is a significant year for the parade as Barnstable celebrates its 375th year. This year, the Hyannis Fourth of July Parade Committee is planning a special celebration in honor of this important milestone. Instead of having the typical Grand Marshal of the parade, the Town of Barnstable itself will play that role, welcoming parade goers and visitors downtown all day, with extra floats and bands during and after the parade. Parade favorites, Mike Dumas & Platform Soul, Jo & Co, along with 2013 Best in Parade winners Cape Cod African Dance & Drum will all perform in this year's march down Main Street. Parade float entrants will be judged and the winners will be awarded ribbons after the parade on the Hyannis Village Green.

Parade Parking:

Parking Ban from 2 PM to 6 PM on Main Street, Hyannis. Main Street and South Street will be closed to motor vehicle traffic. Also all of Main Street; Old Colony Road and Ocean Street from South Street to Main Street will be closed to motor vehicle traffic beginning at 3 PM.

NO VENDORS ALLOWED.

Donations can be sent to:

TOB Fourth of July Parade, c/o Town of Barnstable, 367 Main Street, Hyannis, MA 02601

Special After Parade / Before Fireworks Concerts:

5-6:30 PM

Parade float entrants will be judged and winners will be awarded ribbons immediately after the parade on the Hyannis Village Green.

Barnstable Town Band will play a free concert on the Hyannis Village Green from 5:00 to 6:30 PM.

7-dusk

Mary C and the Stellars will perform a free concert at Aselton Park (corner of South and Ocean Streets) prior to the annual fireworks display at dusk. Mary C is the daughter of Jazz recording artist Mercedes Hall and the sister of "Brat Pack" member Anthony Michael Hall. Mary spent summers growing up on Cape Cod and has participated in the Cape Cod Jazz Festival for the last five years with her band, THE STELLARS.

Recycling and Transfer Station Solar Project

For those of you that have been to the Recycling and Transfer Station recently, you may have noticed some changes on top of the old capped landfill. Through a project with the Cape & Vineyard Electric Cooperative (CVEC), a 4.17 megawatts solar project has been installed. It is comprised of 14,275 solar panels arrayed over some 17 acres. The figures below give a "bird's eye view" of the completed installation.

CVEC is a non-profit membership cooperative created in 2007 to assist towns with the development of renewable energy projects in Barnstable and Duke Counties. The Town leased a portion of the capped landfill to CVEC for 20 years. CVEC, in turn, contracted with a developer to finance, build, own, and operate the new solar facility. Under a Power Purchase Agreement, the town will pay a fixed price of 7.29 cents per kWh of solar energy generated, and receive net metering credits from NStar (currently valued at 14.6 cents per kWh). The town's monthly revenue will be the difference between the net metering credits and the fixed price of power for each kWh of electricity generated by the solar array. It has been estimated that the first year energy cost savings for the Town will be approximately \$380,000, and the amount of annual savings could increase each year depending on the cost to purchase electricity from the utility. If the cost of NStar's electricity goes up, then the savings to the town will increase. The total potential savings over the 20-year term of the contract has been estimated to be in excess of \$5 million.

After the 20-year period the Town will have the option to extend the agreement, have the Developer remove the system from the capped landfill, or the Town may purchase the system at fair market value. So you can see there is very little downside.

Please feel free to be in touch with us if you have any questions or concerns about your public infrastructure. Our phone number is (508) 790-6400.

June was Myasthenia Gravis Awareness Month

Myasthenia gravis (pronounced My-as-theen-ee-a Grav-us) comes from the Greek and Latin words meaning "grave muscular weakness." The most common form of MG is a chronic autoimmune neuromuscular disorder that is characterized by fluctuating weakness of the voluntary muscle groups. There is no known cure for MG, but there are effective treatments that allow many-but not all-people with MG to lead full lives. Although the treatments will not cure MG, patients may have significant improvement in their muscle strength. For more information: <http://www.myasthenia.org/> (This information from an employee arrived in our inbox on June 3rd and we thought we would share it with you now.)

A Note From the Town Collector:

The Town Collector's office would like to wish each and every one of you a happy, healthy, and safe summer.

The FY2015 real estate and personal property tax bills will be mailed by July 1, 2014. These bills will be processed through a Lockbox service electronically, which will deposit your check and credit your account in a timely manner. The envelope enclosed with your bill will be addressed to the Town of Barnstable, P.O. Box 742, Reading, MA 01867. If you use your own on line bill payment, you should make certain that the address for mailing is changed to read: Town of Barnstable, P.O. Box 40, Hyannis, MA 02601 as these on line checks need to be processed manually in our office. The following is the FY2015 payment schedule:

Payment Schedule for Real Estate and Personal Property Taxes for Fiscal 2015

Preliminary Tax Bills mailed by July 1, 2014

- ✓ First Quarter due August 1, 2014
- ✓ Second Quarter due November 3, 2014

Actual Tax Bills mailed by December 31, 2014

- ✓ Third Quarter due February 2, 2015
- ✓ Fourth Quarter due May 1, 2015

Check the Town website at www.town.barnstable.ma.us to explore the option of scheduling your payment on line. You must register to use it.

If you go to www.town.barnstable.ma.us and scroll down a little, you will see "Pay Bills", which you can click on to bring you to "Register or Login" where you will click again. You will come to a page "What would you like to pay." If it is real estate, click on real estate. You must register as this is a new service provider. Under "please **locate your account**," enter the **LAST NAME ONLY** and hit submit...this should bring up a list of properties. If you scroll down to find your property and click on view/pay that will bring you to the page "Register Now." Click and this will bring you to the registration page and the rest should be easy! PLEASE CALL WITH ANY QUESTIONS 508-862-4054

If you have any questions, please feel free to contact the Town Collector's office at 508-862-4054. If you have any questions regarding Abatements or Exemptions, please call the Assessor's office at 508-862-4022.

FDR, An Inspirational Story, "Inside Uncle Rosy's White House:

An Afternoon with Franklin Roosevelt" by Playwright, Carlton E. Spitzer and produced by the Hugh Gregory Gallagher Motivational Theatre, Inc. Jul 15, 1:30 p.m. RSVP-\$5

This play tells the inspirational story of a remarkable and singular American. The only four-term President and the only President unable to walk without assistance, Franklin Roosevelt faced some extraordinary challenges – both as President and in his personal life – with great courage, vision, and perseverance. "Uncle Rosy's White House" recounts his story with clarity, humor and compassion. The play reflects on FDR's privileged youth, old classmates who felt he "betrayed his class" by helping the poor and destitute, and the impact of polio on his personality and presidency. FDR speaks to the audience, confiding anecdotes and personal opinions never before dramatized. At other times, FDR converses candidly with unseen colleagues such as Louie Howe and Winston Churchill. At other moments, FDR is at faux microphones, delivering excerpts of inaugural addresses, fire-side chats, and key speeches. FDR was devoted to the development of Roosevelt Warm Springs Institute for Rehabilitation.

HURRICANE PREPAREDNESS

According to the Cape Cod Emergency Preparedness Handbook: "Of all the natural disasters that might affect Cape Cod, hurricanes have the potential to cause the most property damage and loss of life if adequate planning and preparation is not undertaken."

There is much you can do to better prepare yourself and your loved ones in the event we experience a significant weather emergency. In general, it is recommended that you do the following at the onset of Hurricane Season (officially started June 1st) here on Cape Cod:

1. Make a disaster plan for yourself, your family and your pets. Be sure you review it carefully with all members of your family.
2. Compile a Disaster Survival Kit.
3. Familiarize yourself with the flood risk in your area, as well as the location of the nearest emergency shelter.
4. Be prepared, ready and willing to follow the explicit directions of emergency preparedness.

Developing Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones. When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone.
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters **DO NOT** allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any / all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

The Emergency Shelter Location for the Town of Barnstable is:

Barnstable Intermediate School, 895 Falmouth Road (Route 28), Hyannis (pets allowed)

Our designated Emergency Alert Radio Station is WQRC 99.9 FM
