

## The Barnstable Bulletin

A MONTHLY  
TOWN OF BARNSTABLE  
NEWSLETTER

**March 2015**

### From the Town Manager

Dear Reader:

I would like to extend my thanks to everyone for their calm and patience in dealing with this winter's historic snowstorms. Chief Paul MacDonald, the head of the Town of Barnstable's Emergency Response Team, reported that there were a lot of people who heeded the warnings that were made in advance of the weather. A lot of credit goes to those who have worked throughout the storms. The Police Department was able to utilize the Marine & Environmental Affairs Division pick up trucks for more reliable transportation. Our Highway Division which was manned 24/7 during the storms working hard to keep roads passable. The use of the Reverse 911, DPW's Storm Alerts on the Town's website as well as our Facebook updates were extremely helpful. We continue to look for new ways to keep our citizens informed about things that are important to them.

The budgeting process continues. This process actually starts in the early fall, but this is when we finalize our needs. Our Senior Staff has submitted budget requests. We'll keep performing at a high level and continue keeping a close eye on our spending. We will start with the Capital budget in early spring and then move on to the Operating budget.

The calendar says that we will be "springing forward" on March 8<sup>th</sup> and the first day of Spring is March 20<sup>th</sup>. I don't know about you, but I am ready to give Spring a hearty welcome!

*Tom Lynch*

## TOWN CLERK REMINDERS FOR MARCH...

As I write this article we are awaiting the delivery of the census forms. So hopefully by the time you see this you will have received and returned your form! Here are a few reminders from your Town Clerk's office:

- √ It is never too late to turn in your census form – remember if you have moved or anyone has moved in or out of the household – we need the current address where you or they are residing.
- √ Returning your census form to us assures your information for voting is current.
- √ The 2015 Town Election is scheduled for November 3<sup>rd</sup>. The Town Council positions in the ODD numbered precincts (1, 3, 5, 7, 9, 11, and 13) will be running for a four year term. The other offices to be elected will be three School Committee seats, two Housing Authority seats and the Town Collector. Remember your vote is your voice!
- √ Dog licenses for 2015 will be ready for sale the 6<sup>th</sup> of May. HOWEVER, if you don't have a 2014 license you need to get it now...you cannot skip a year. Once your dog is 6 months old you need to get it licensed.
- √ Fuel storage tank annual registrations will be going out in March to those who have an existing storage license.

For questions on voting, business certificates, elections, census, vital records, marriage intentions, etc., please call us at any time – Monday – Friday 8:30 a.m. – 4:30 p.m. 508-862-4044.

As always we are here to assist you.

## BARNSTABLE LAUNCHES MTSS

What is MTSS? Multi-Tiered System of Supports (MTSS) is a term used to describe an evidence-based model of schooling that uses data-based problem-solving to integrate academic and behavioral instruction and intervention. The integrated instruction and intervention is delivered to students in varying intensities (multiple tiers) based on student need. "Need-driven" decision-making seeks to ensure that district resources reach the appropriate students at the appropriate levels to accelerate the performance of ALL students to achieve and/or exceed proficiency.

The academic and non-academic core components of MTSS are:

- high-quality core curriculum and instruction implemented with fidelity
- research-based academic interventions and assessment practices
- research-based behavioral interventions and supports
- universal screening and progress-monitoring
- collaboration and communication between educators and parents

Dr. Jane Jezard, Director of Special Education, applied for and Barnstable received over \$200,000 worth of professional development for teachers and leaders, mentoring for principals, and strategic consulting services funded by the Tower Foundation. The District MTSS Team, School-based MTSS Teams, the BPS Leadership Team, and Staff have been working with a consultant since September. Principals are focusing on a student-centered schedule which allows for 90 minute blocks of reading and math in the elementary schools.

A comprehensive intervention support system allows teachers and administrators to identify students early so they can provide them appropriate research-based interventions to help them succeed. The FY' 16 Budget reflects an addition of 4.4 FTEs that allow teachers at the elementary level common planning time, special subject area common time, to utilize student data, and address individual student needs.

Why MTSS? According to Judy Elliott, Chief Academic Officer for the Los Angeles Unified School District and Advisory Council member for RTI Action Network, "a Multi-Tiered Framework systematically guides the development of a well-integrated and seamless system of instruction, intervention and support in the areas of academics, behavior, social-emotional, and attendance that is matched to student need and directed by student outcome data from multiple measures."

Barnstable Public Schools is invested in a plan for improving student outcomes through full implementation of MTSS.

### **Weights and Measures Week March 1-7**

To commemorate John Adams signing the first United States Weights and Measures law on March 2, 1799 the National Conference on Weights and Measures celebrates Weights and Measures Week from March 1<sup>st</sup> to March 7<sup>th</sup> each year. The 2015 theme is *Weights and Measures: On the Path to Tomorrow*.

Ron Hayes, Chairman of the National Conference on Weights and Measures explains that "during the 110 year history of the NCWM, we have seen a number of advancements from mechanical devices to highly sophisticated software-based weighing and measuring instruments and now apps used on smart phones".

Closer to home, Barnstable Weights and Measures has seen some advancement in our jurisdiction with the use of your smart phone to receive a discount at gas stations, to pay for your items at a retail store, receive coupons or look up a business using a special scanner bar code that you can download on your phone. We have seen tablets replace customary registers at some retail locations, and many apps that can be tailored for your shopping habits. Certainly the buyer must always beware of any purchases, make sure you witness the transactions and look at your receipts hard copy or E-receipt to ensure the proper transaction took place. New technology will enhance our busy lives but we still need to be diligent as these devices are coming into the marketplace faster than they can be monitored.

Weights and Measures Week serves as a reminder of the great value society receives for a minimal investment in weights and measures inspection programs. The regulatory presence costs a person less than a \$1.00 per year according to the national Conference of Weights and Measures. The customer can realize the full return on that investment in a single trip to the market or gas station.

### **A Note From the Town Collector:**

Just a friendly reminder that the third quarter real estate taxes were due back on February 2<sup>nd</sup>; however, due to the fact that we had two unbearable snowstorms and the Town Hall was closed for two (2) days, I agreed to allow payments to be made on or before February 6<sup>th</sup>. The fourth quarter of the FY2015 real estate will be due on May 1<sup>st</sup>.

The first and largest commitment of 2015 Motor Vehicle Excise Tax bills were issued on February 17, 2015 and will be due on March 19, 2015. Once again, I would like to remind you that once a bill is issued, you must pay the bill or the bill must be abated as no bill just goes away. Please don't get caught up in paying additional fees and jeopardizing your driver's license! There are also a few 2014 Motor Vehicle Excise Tax bills being issued at the same time, which are delayed commitments from the Registry of Motor Vehicles.

The third quarter commitment of Utility Billing (sewer bills) was issued on February 24, 2015 and will be due on March 26, 2015.

If you have any questions, please do not hesitate to call our office at 508-862-4054.

Looking forward to Spring!

### **Barnstable County Human Rights Commission**

As the Town of Barnstable Representative to the Barnstable County Human Rights Commission (BCHRC),

<http://www.bchumanservices.net/barnstable-county-human-rights-commission/>

I would like to take this opportunity to provide on the BCHRC information to you.

The Barnstable County Human Rights Commission promotes equal opportunity in housing, employment, education, public accommodations, Town and County services, insurance, banking, credit and health care for all persons in Barnstable County regardless of race, color, religious creed, national origin, sex, age, ancestry, sexual or affectional preference, marital, family or military status, source of income, neighborhood or disability. These rights are secured by federal and state law as well as by the local ordinance that created the BCHRC.

The goals of the commission are:

- To promote and protect the basic human rights of all persons in Barnstable County;
- To enlist the cooperation and support of racial, religious, ethnic, civic, fraternal, benevolent, and private and public agencies in eliminating unlawful discrimination, and cultivating and atmosphere of mutual understanding of the County's cultural and social diversity
- To promote community awareness and understanding of the County's diverse cultures through education and community action; and
- To provide the public with a forum to identify and address human rights violations within Barnstable County and, where possible, to assist in the resolution of complaints of human rights violations.

Should you encounter a problem, the first step is to contact the BCHRC and complete an intake. This may be done either over the phone or in person. Depending on the information, the Coordinator will then determine the best course of action to resolve the complaint.

(Resolution could include mediation, referrals to either an advocate, an attorney or to the Massachusetts Commission Against Discrimination (MCAD).

### News from HyArts

The Hyannis HyArts Cultural District, Barnstable Village Cultural District and [ArtsBarnstable.com](http://ArtsBarnstable.com) is pleased to support Lenore Lyons, Director of Arts Education, Cotuit Center for the Arts and The Key Idea™.

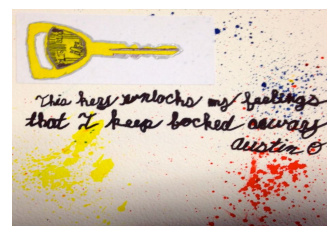

We lock and unlock important things. The Key Idea™ invites Cape Codders and visitors to create a piece of key inspired art and writing that will become part of a large-scale community art exhibit at Cotuit Center for the Arts in Oct 2015. This multigenerational project explores what is important at different stages of life through the metaphor of a key. People of all ages can participate by selecting a key, then creating a piece of art with a written explanation of what the key might open, start or do, alternatively what the key might secure or close. Keys are objects that recall vivid memories and inspire powerful concepts.

Events will be planned throughout the year to encourage participation by people of all ages – everyone is creative with a story to tell. Or maybe you have some keys that you no longer need...please donate them to inspire others.

Please consider gathering up keys you no longer use or maybe you have a random key in the back of "that drawer" and drop off or mail to Lenore at: Cotuit Center for the Arts

## WOMEN'S HOCKEY EAST CHAMPIONSHIP TOURNAMENT

The 13th Annual Women's Hockey East Championship Tournament welcomes the top four teams in the conference, the weekend of March 7th and 8th, as they compete for the Bertagna Trophy and a guaranteed spot in the National Championship Tournament!

Tickets are now available at the HYCC downstairs at the Skate Sharpening/Rental Booth. General Admission is \$10/day (two games at 1:30 and 4:30PM on March 7th and one Championship Game at 1:30PM on March 8th).

"On behalf of the Town of Barnstable, I am excited to welcome the Women's Hockey East Tournament to the Hyannis Youth & Community Center for the fourth year in a row!" said Town Manager Tom Lynch.

The participating Div. I college teams will be announced on Sunday, March 1st. More info at [www.hockeyeastonline.com](http://www.hockeyeastonline.com).

You can come and watch the teams practice for free on Friday, March 6th! Each team will have dedicated practice time 10:15AM-5:00PM. Call 508.790.6345 or check our web site for more info!
