

**The Barnstable Bulletin**  
A MONTHLY  
TOWN OF BARNSTABLE  
NEWSLETTER  
**November 2014**

**From the Town Manager**

Dear Reader:

Election Day is November 4, 2014. Town Clerk Ann Quirk, Assistant Town Clerk Janet Murphy and the dedicated staff of the Town Clerk's office have been hard at work getting ready for the election that includes all thirteen precincts. Over 120 poll workers turn out each Election Day to help things run as smoothly as possible throughout the Town. This is the opportunity for your voice to be heard. We hope that you will exercise your right to vote.

I want to recognize the patience of our citizens and visitors as the Town of Barnstable continues with a multitude of roadway projects and water and sewer installations. I know that such projects cause inconveniences to our daily routine, but I am sure our citizens will be pleased with the results.

Veterans' Day will be upon us soon as well. Wars in Afghanistan and Iraq have brought us a new group of individuals who fall into the Veterans category. We hope that you will join us in honoring Veterans of all wars by taking a moment to say thank you to the men and women who have served our country so valiantly. The Annual Veterans' Day Parade will be held on Main Street on Tuesday, November 11th. The parade steps off at 10:00 am and concludes at the Village Green with a program that will feature the laying of wreaths and keynote speaker Colonel Timothy A. Mullen, State Quartermaster, Commonwealth of Massachusetts.

In this season of Thanksgiving it seems most appropriate to express my appreciation to all of you. Happy Holiday Season to you and yours.

Regards,

*Tom Lynch*

## TOWN CLERK REMINDERS FOR NOVEMBER...

The State Election is less than a month away and our office is very busy preparing for November the 4<sup>th</sup>!

As a reminder at this time we do not have early voting. Absentee voting is specifically for those people who are housebound, out of state or have religious reasons for not going to the polls.

All elections are important and part of the election process is your completion of the census/voter confirmation form that goes out in January. This is a mandate by the State and Federal governments that you confirm you are still at the same location. If you do not return the census, or did not receive one, you are made "inactive". Again, that is a requirement of the law. You can still vote, but will be required to fill out an affirmation of continuous residence form when you vote. This takes time. Therefore, when you receive your census form in a couple of months, remember – this will avoid any delays at the polling place.

Exercise your right to vote! All elections are important and your vote does count.

If you have any questions regarding the upcoming election, please call us at (508) 862-4044.

For those residents in the Old King's Highway Historic District, you will have an election on November 25<sup>th</sup> (Tuesday) from 7 p.m. to 8 p.m. at the West Barnstable Community Center.

From all the Staff of the Town Clerk's Office – We wish all of you a Happy and Healthy Thanksgiving!

**Ann M. Quirk, CMC**

### Barnstable Libraries' November Calendar of Events

A full calendar of events at the seven Barnstable libraries can be found at <http://www.sturgislibrary.org/barnstable-libraries-calendar-of-events/>. Hard copies are also available at your local library. A reminder that the libraries will be closed on Tuesday, 11 November in observance of Veteran's Day and on Thursday, 27 November in observance of Thanksgiving. Please check with your local library about additional holiday hours.

### **Friendly Reminders from Harbormaster:**

- ◇ Channel Markers and Regulatory Buoys will be removed from the town waters starting in November.
- ◇ The Barnstable Harbormaster will be looking to hold a public auction of surplus and abandoned vessels sometime in November. Please check the Harbormaster page on the Town's website periodically for details.

## **Superintendent's Corner**

### **Does a Later Start Time for High Schools Matter?**

In early October, Bonny Gifford, Superintendent of Falmouth Public Schools, and I met to discuss a later start time for high schools. This concept has been around for years with considerable research, studies, articles, and papers on the topic. The Children's National Medical Center's Blueprint for Change Team published an in-depth report in April 2014 examining the school districts in the U.S. that have implemented a later start time for their high schools. Currently, the start time for Barnstable High School is 7:20 A.M. and 7:24 A.M. for Falmouth High School. We came together to discuss the extensive research available, as well as, the pros and cons of having a later start time for high schools.

The Children's National Medical Center's Blueprint for Change Team's Report states that a delay in school start times is key in addressing the epidemic of adolescent sleep loss in the U.S. This sleep loss is attributed to lower academic achievement, higher rates of absenteeism and tardiness, decreased motivation to learn, and increased use of stimulants. There is substantial research supporting a delayed school start time as an effective countermeasure to adolescent sleep loss. Physical and mental health, safety, and academic achievement are just a few potential benefits to a later school start time.

As with any change, there are perceived benefits and costs of a school start time change. Several benefits include increased attendance, reduced tardiness, improved standardized test scores, improved grades, higher graduation rates, fewer referrals for disciplinary action, and cost savings for public school system. Some perceived costs with the school start time change are loss of community support, impact on parent work schedules, financial costs, reduction of student involvement in extracurricular activities, and negative impact on teacher schedules. Districts surveys in this report tended to perceive academic-related benefits from adopting a later start time and the concerns did not materialize.

As this topic of conversation continues between Barnstable and Falmouth Public Schools, there are a few lessons learned from other School Districts that have made the change to a later school start time:

- Importance of Leadership
- Education of the Entire Community/Stakeholders
- Logistics and Cost Factor of Transportation
- Athletics and Community Use of Recreational Facilities
- Prioritizing Sleep Health is Important
- Adjustments Take Time
- Anticipation is Often Worse than the Reality

We have just started the conversation on later school start times for our high school. The potential benefits to the health and performance of our high school students is at the forefront of our thoughts and continued discussions. We will keep the students, teachers, community, and stakeholders informed and part of this important discussion.

***Dr. Mary A. Czajkowski***  
Superintendent of Schools

### **Snow and Ice - Please Stake Your Property**

Hard to believe, but a new snow and ice season is almost upon us, and the DPW is in full preparation mode. Along that vein, this month we have a little quiz for everyone.

Take a look at the two pictures below:

Now, define exactly where the edge of the road is.

Pretty difficult, isn't it. Now add to that challenge by making this determination after working 20+ hours, it being dark in the middle of the night, wind driven snow, and moving at 15 mph. As you can see our drivers face a significant challenge.

One of the biggest items we all can do to help them is stake the edge of our properties with plow stakes/reflectors. Plow stakes can be wood or fiberglass with reflectors on top or wrapped around the body of the stake. The reflective material needs to be high enough up the stake that it can be seen over the snow drift. The stakes should be driven into the ground as close to the edge of the property as possible. Generally we recommend placing them every 8-10 feet. Installing stakes is easier before the ground freezes, so we recommend you do it in November.

### **CONTRACTORS WANTED**

We are always looking for good contractors to help the Town. If you are looking for an opportunity to plow for the Town please contact Mr. P.J. Kelliher, at (508) 790-6343

Please feel free to be in touch with us if you have any questions, or concerns about your public infrastructure. Our phone number is (508) 790-6400.

### Senior Center Happenings:

#### Aromatherapy:

**Treating Yourself Well, an Informative & Fun Workshop** Nov 6, 10-11 a.m. **RSVP-Free**

In holistic practice the goal is always homeostasis -- natural balance among the systems of the body, the mind and the spirit. This workshop will provide insight into the worlds of therapeutic aromatherapy and reflexology to work towards that goal. Reflexology uses a series of gentle pressures on the feet, hands or even the ears to relieve stress which in turn lessens pain.

Aromatherapy is the use of oils to elicit desired mind-body responses. Used together, the effect can be quite amazing. Kathleen Baker is a certified aromatherapist and reflexologist who has been in healthcare on Cape Cod for 22 years.

**Cape Mediation, A Topic of Discussion on Mediation** Nov 18, 9:30 a.m. **RSVP-Free**

Cape Mediation is a 501(c)(3) non-profit organization that has offered high-quality mediation services and training to the communities of Cape Cod since 1989. They have served as the only organization authorized by the Massachusetts Supreme Judicial Court to provide mediation services in the District Courts of Barnstable, Falmouth, Orleans and Nantucket. Data shows that Barnstable County has the highest percentage of residents over sixty of any county in New England. It is projected that the number of Cape residents fifty-five or older will double in the next twenty years. This will place even greater strains on service organizations.

**Drumming Circle** Nov 19, 11 a.m.-12 p.m. **RSVP-Free**

Drumming and rattling fosters people's personal healing, growth, and empowerment and strengthens their connection to the world. Drumming Circle will take you on a journey of drumming to the rhythm of your heart. Gentle stretching takes place prior to drumming. This short journey will help you gain clarity and insight. The drumming is followed by rattling which will help you relax and center. This will be facilitated by Town of Barnstable Public Health Nurse, Peg Stanton.

### CONNECTING YOUR BUSINESS TO THE COMMONWEALTH AT BARNSTABLE TOWN HALL NOVEMBER 12, 2014

The Operational Services Division (OSD) will be hosting a **Regional Briefing and Luncheon** in the Barnstable area on **Wednesday, November 12, 2014**. That day, team members from OSD will present workshops for both local businesses and purchasing officials from local cities and towns designed to enable regional buyers and sellers to learn about doing business with the Commonwealth and each other. For businesses, OSD will offer a morning workshop called **"Connecting Your Business to the Commonwealth"** highlighting OSD programs and services including contracting opportunities, State and Federal Certification, the Supplier Diversity Program (SDP), the Small Business Purchasing Program (SBPP), and a live demonstration of where to find bidding opportunities in the Commonwealth's online market center, COMMBUYS.

The morning session runs from 9 am to noon. For local purchasing and procurement officials, OSD will provide an afternoon session including an overview of programs and services for municipalities, a discussion and demonstration of COMMBUYS, a briefing on statewide contracts of interest, and an overview of OSD's surplus property program. The afternoon session runs from 1 to 2:30 pm. In addition, businesses that have not yet registered in COMMBUYS will be able to do so onsite during the afternoon session. Buyers and sellers will connect at lunch for networking from noon – 1 pm.

The event will take place at Barnstable Town Hall at 367 Main Street, Hearing Room, 2<sup>nd</sup> Floor, Hyannis, MA and is free and open to local businesses and local purchasing officials and their teams. Advance registration is required. For registration and more information, visit the OSD website at: [www.mass.gov/OSD](http://www.mass.gov/OSD) > OSD Events and Training > OSD Regional Briefing and Luncheon.

### Community Preservation Act Funding Availability

The Community Preservation Act (CPA) is a smart growth tool that helps communities preserve open space and historic sites, create affordable housing, and develop outdoor recreational facilities. CPA also helps strengthen the state and local economies by expanding housing opportunities and construction jobs for the Commonwealth's workforce, and by supporting the tourism industry through preservation of the Commonwealth's historic and natural resources.

Community preservation monies are raised locally through the imposition of a surcharge of not more than 3% of the tax levy against real property. Municipalities must adopt CPA by ballot referendum. The Town of Barnstable adopted the Act in 2005 and since then has appropriated over \$15.6 million dollars of CPA funds for more than 75 projects. A minimum of 10% of the annual revenues of the CPA funds must be allocated for each of the three categories; Historic, Housing and Open Space. The remaining 70% can be allocated for any combination of the allowed uses, or for the acquisition of land for recreational use. Funding is available for projects that meet the eligible criteria as outlined in the chart below:

	Open Space	Historic	Recreation	Housing
<b>Acquire</b>	Yes	Yes	Yes	Yes
<b>Create</b>	Yes	No	Yes	Yes
<b>Preserve</b>	Yes	Yes	Yes	Yes
<b>Support</b>	No	No	No	Yes
<b>Rehabilitate and/ or Restore</b>	Yes, if acquired or created with CPA funds	Yes	Yes (new 7/8/2012)	Yes, if acquired or created with CPA funds

Chart adapted from "Recent Developments in Municipal Law", Massachusetts Department of Revenue, October 2012.

## Veterans' Day Remembrance

The Veterans' Day Parade will form on in the town hall parking lot at 9:30 am on Tuesday, November 11, 2014 and step-off sharply at 10:00 am.

The parade will proceed onto South Street heading east to Old Colony Boulevard, heading north to Main Street then turning west up Main Street to the Village Green.

A special Veterans' Day Program which will include the placement of wreaths at monuments will begin at the Bandstand immediately following the parade.

This year, Colonel Timothy A. Mullen, State Quartermaster, Commonwealth of Massachusetts, will be the featured speaker.
