A MONTHLY  
TOWN OF BARNSTABLE  
NEWSLETTER

**November 2016**

### From the Town Manager

Dear Reader:

Election Day is November 8, 2016. This is the opportunity for your voice to be heard. We hope that you will exercise your right to vote. Town Clerk Ann Quirk, Assistant Town Clerk Janet Murphy and the dedicated staff of the Town Clerk's office have been hard at work getting ready for the election that includes all thirteen precincts. Over 120 poll workers turn out each Election Day to help things run as smoothly as possible throughout the Town. I would like to remind you that **Early Voting** is open through 4:30 PM on November 4<sup>th</sup>. A reminder to **Precinct 11 voters** that **your polling place has moved to the Barnstable-West Barnstable Elementary School for this election.**

I want to recognize the patience of our citizens and visitors as the Town of Barnstable continues with a multitude of roadway projects. I know that such projects cause inconveniences to our daily routine, but I am sure our citizens will be pleased with the results.

Veterans' Day will be upon us soon as well. Wars in Afghanistan and Iraq have brought us a new group of individuals who fall into the Veterans category. We hope that you will join us in honoring Veterans of all wars by taking a moment to say thank you to the men and women who have served our country so valiantly. The Annual Veterans' Day Parade will be held on Hyannis Main Street on Friday, November 11<sup>th</sup>. The parade steps off at 10:00 am and concludes at the Village Green with a program that will feature the laying of wreaths and Keynote Speaker United States Air Force Lieutenant Colonel Nathan Hippe.

In this season of Thanksgiving it seems most appropriate to express my appreciation to all of you. Happy Holiday Season to you and yours.

Regards,

*Mark S. Ellis*

### TOWN CLERK REMINDERS FOR NOVEMBER...

It is autumn, change is in the air, and big changes are happening this season at the Town Clerk's Office.

#### Early Voting:

Perhaps you have taken advantage of early voting this year. This is the first time early voting has been offered in Massachusetts. Early voting will be held October 24<sup>th</sup> through November 4<sup>th</sup>, Monday through Friday, from 8:30 AM to 4:30 PM at Town Hall. Additionally, on October 29<sup>th</sup> at the Barnstable Police Department, from 8 AM until 2 PM. This is a new and exciting experience for all of us.

#### Temporary Move of Precinct 11:

Another change this year: Precinct 11 will be voting at Barnstable-West Barnstable Elementary School, located at 2463 Main Street, West Barnstable. After a compliance review conducted by the United States Attorney's Office, the West Barnstable Community Building does not meet the 2010 ADA Standards for Accessible Design. We are hoping this will be a temporary move!.

As I write this, we have mailed out over 600 absentee ballots. This number is expected to triple by the 8<sup>th</sup> of November. Absentee ballot requests will be honored until noon on November 7<sup>th</sup>. **At noon on November 7<sup>th</sup>, the Town Clerk's office will be closed for the remainder of the day** to prepare all the materials necessary for delivery to the polling locations for the State Election.

#### 2016 Important Dates to Remember:

**October 19<sup>th</sup> – Last day to register to vote for the November 8th State Election**

**October 24<sup>th</sup> – Early voting begins at Town Hall**

**October 29<sup>th</sup> – Early voting on Saturday at the Barnstable Police Department**

**November 4<sup>th</sup> – Last day of early voting at Town Hall**

**November 7<sup>th</sup> – at NOON, close of requests for an absentee ballot-Town Clerk's office will be closed for the remainder of the afternoon.**

**November 8<sup>th</sup> – State Election Day, all polling locations will be open from 7 AM to 8 PM**

All elections are important and part of the election process is your completion of the census/voter confirmation form that goes out in January. This is a mandate by the State and Federal governments that you confirm you are still at the same location. If you do not return the census, or did not receive one, you are made "inactive". Again, that is a requirement of the law. You can still vote, but will be required to fill out an affirmation of continuous residence form when you vote. This takes time. Therefore, when you receive your census form in a couple of months, remember – this will avoid any delays at the polling place. If you have any doubts about your voter status please call us on 508-862-4044.

You vote is your voice! Exercise your right to vote! All elections are important and your vote does count.

Here's to an excellent voting experience for all,

**Ann M Quirk** CMC/CMMC

Town Clerk

## Superintendent's Corner

Greetings!

Gratitude. November brings opportunities to express our gratitude in traditional and unique ways. Whether surrounded by family and friends at Thanksgiving, or honoring our veterans for their service, this time of year offers reflection and appreciation. As I reflect on upon my short time in Barnstable, I am grateful for our community's commitment to our youngest citizens. Barnstable Public Schools educates over 5,000 children from preschool through high school. Not only are our educators and support staff committed to meeting the needs of our students, but also our community at large consistently unites to support our students in and out of school.

This month two organizations are bringing our community together to support our students. First, on November 12<sup>th</sup> the Barnstable Educational Foundation is hosting their *2<sup>nd</sup> Annual 5K/10K Run or 5K Walk for Success*. The event is in memory of Sheila Burns, beloved former principal of Centerville Elementary School. Through fundraising and donations, the Barnstable Educational Foundation provides grants to Barnstable teachers for creative projects and innovative programming.

Similarly, and new this year, the Greater Hyannis Area Chamber of Commerce is sponsoring a *5K Barnstable Harvest Family Walk-Run* on Saturday, November 19<sup>th</sup> to inaugurate funding for a school-based food pantry at Barnstable High School. Why is a school-based food pantry necessary at the high school? According to [Feeding America](#) about seven million American children and teenagers (ages 10-17) struggle with hunger. Outside of the school day, older students grapple with a wide range of strategies to get by, coping with hunger in different ways. Teen hunger can often go unnoticed as teens struggle with possible stigma. Teen hunger is real, serious and affects the mind, body, and soul, all of which impact learning and overall health and wellness. As our flagship school, Barnstable High School will lead the way to enhance our caring community.

These are just two examples of many – our community supports our students in untold ways to ensure our Barnstable students thrive. It is with tremendous gratitude that we thank our Barnstable community.

All the best,

*Meg*

### **HURRICANE PREPAREDNESS**

According to the Cape Cod Emergency Preparedness Handbook: "Of all the natural disasters that might affect Cape Cod, hurricanes have the potential to cause the most property damage and loss of life if adequate planning and preparation is not undertaken."

There is much you can do to better prepare yourself and your loved ones in the event we experience a significant weather emergency. In general, it is recommended that you do the following at the onset of Hurricane Season (officially started June 1st) here on Cape Cod:

1. Make a disaster plan for yourself, your family and your pets.  
Be sure you review it carefully with all members of your family.
2. Compile a Disaster Survival Kit.
3. Familiarize yourself with the flood risk in your area, as well as the location of the nearest emergency shelter.
4. Be prepared, ready and willing to follow the explicit directions of emergency preparedness.
