TOWN OF BARNSTABLE
NEWSLETTER

September 2015

From the Town Manager

Dear Reader:

We have been blessed with a truly beautiful summer that has been enjoyed by residents and visitors alike. We hope that the fall will bring with it many seasonal pleasures.

From all reports our area merchants have had a strong summer season. The sunshine brought visitors to our town to enjoy our beaches and our main streets. From Barnstable village to Hyannis to Osterville we observed families enjoying outside dining, concerts, festivals and shopping. Our signature events, the 4th of July celebrations, LoveLocal festivals and the Pops by the Sea, all attracted large crowds who safely enjoyed our town.

As school starts there will be a continuation of village days and fall festivals in Marstons Mills and Hyannis. Following the success of its July and August outings, the LoveLocal Festival will return the last Sunday in September. The crowds are smaller and we can all enjoy one of the best months on Cape Cod.

You will see additional construction projects on our roadways as we continue projects suspended during the summer season.

Wishing you a happy September,

Tom Lynch

Election News from the Town Clerk's Office

The clerk's office has a sign that fall is approaching...that's when we begin to prepare for elections.

The nomination season for elected town positions has passed. Due to the fact that no more than two people are running for any seat – we were able to eliminate the September preliminary election. This will save the Town about \$25,000.

We are now looking toward the Town Election on November 3, 2015. Polls will be open from 7 a.m. to 8 p.m. The last day to register to vote or make any changes to your registration (for instance, if you recently moved) is October 14. On that day the Town Clerk's office will be open until 8 p.m. for any registration issues.

The following individuals will be on all ballots in the town: **School Committee** Members: (three seats available) Incumbents, Christopher J. Joyce and R. Patrick Murphy, will be opposed by Peter Bertling, Michael Judge, Aaron Kanzer, and Nora Monteiro. The **top three vote getters** will be seated on the School Committee. Running unopposed for two seats on the **Housing Authority** are incumbents: Deborah Converse and Hilary V. Greene. Also running unopposed is incumbent **Town Collector**, Maureen Niemi.

The following **odd numbered precincts** will have Town Council seats up for election; all positions are unopposed: Precinct 1 – John G. Flores; Precinct 3 – Paul Hebert; Precinct 5 – James H. Crocker, Jr.; Precinct 7 – Jessica Rapp Grassetti; Precinct 9 – James M Tinsley; Precinct 11 – Philip Wallace; Precinct 13 – Jennifer Cullum.

All 13 polling locations will be open from 7 a.m. – 8 p.m. on the 3rd of November for voting. All the candidates need you to vote! So please mark your calendar to vote on Tuesday, November 3rd because your voice is your vote!

We hope to have the Absentee ballots by the first week in October. If you are planning on going south in the fall and will not be here for the November 3, 2015 election, please call (508-862-4044) to see if the ballots are in so that you may come to the Clerk's office and vote before you leave.

Please call us if you have any questions on your voting status at the Town Clerk's office at 508-862-4044.

Superintendent's Corner

It is an exciting time of year as we welcome back students and staff to the 2015-2016 school year. With over 5,200 students and more than 800 employees, including 500 professional staff, Barnstable is the largest K-12 school system on Cape Cod.

As we prepare for the start of the school year, the School Committee is also moving forward in its search for a new permanent superintendent of schools by establishing a Superintendent Search Committee to review applications, interview candidates, and recommend finalists to the School Committee. The membership of the Search Committee will be announced at the September 2nd School Committee meeting.

The tentative schedule for the search is as follows:

Set Search Committee	September 2, 2015 (School Committee Meeting)
Search Committee Prep Meeting	TBD
Open Search	September 7, 2015
Advertise for Position	September 7, 2015
Conduct Focus Forums	TBD (September 7-30, 2015)
Close Search	October 9, 2015
Screening of Applicants	October 18, 2015
Search Committee Interviews	November 1-15, 2015
Search Committee Conclusion/ Summary	by November 16, 2015
School Committee Interviews	November 30, 2015 - December 12, 2015
Visits to School Systems	December 12 - 20, 2015
Announcement	by January 1, 2016
Start Date	TBD

The focus forums to be conducted by the district's search consultants, the Massachusetts Association of School Committees and the Center for Executive Search at the Cape Cod Collaborative, offer an excellent opportunity for input from parents, teachers, town and district leaders, and community members. The dates, times, and locations of the forums will be publicized as soon as they have been determined.

Although the School Committee hopes to announce the selection of a new permanent superintendent by January 1, 2016, the new superintendent's actual start date will depend on his or her current employment status. Many actively-employed superintendents are unable to start in a new district until the end of the school year.

In the meantime, I look forward to continuing to work with the School Committee, our leadership team, and the entire staff to provide high quality academic and extracurricular opportunities for the children of Barnstable.

Weekly Community Meditation Group (Tuesdays, Sept 1, 8, 15, 22, 29)

2-3 p.m. RSVP-Free

What happens in the brain during meditation versus casual resting? Meditating or resting your brain every day makes a huge difference in how you approach life, how personally you take things and how you interact with others. Relaxation will allow you to see things more clearly and create a sense of calm and centeredness in your life. There are also studies that show meditation can actually slow the progression of dementia and mild cognitive impairment. Take some time for yourself and de-stress. Instructor is Kay Outwin. *This class is made possible by grant funding from CHNA 27.*

Catch the **COASTSWEEP** wave
Join the **Town of Barnstable** beach cleanup!

While the summertime beach season is winding down, Barnstable is gearing up for **COASTSWEEP 2015** at local beaches. Cleanups will take place on Saturday, **September 19th** with a rain date of Sunday, **September 20th**. Other cleanups will take place at various locations throughout September.

Sponsored by the Massachusetts Office of Coastal Zone Management, thousands of COASTSWEEP volunteers remove debris that would otherwise pollute our oceans, beaches, lakes, and rivers. Participants collect bag after bag of trash and debris, and record their findings onto data cards. The data is sent to the Ocean Conservancy and entered into a massive marine debris database. This information is then analyzed and used to identify the sources of marine debris, which helps to prevent the problem in the future.

If you're interested in volunteering, **contact** Local Coordinator Fred Stepanis at **508-862-4046** or e-mail him at: conservation@town.barnstable.ma.us

HURRICANE PREPAREDNESS

According to the Cape Cod Emergency Preparedness Handbook: "Of all the natural disasters that might affect Cape Cod, hurricanes have the potential to cause the most property damage and loss of life if adequate planning and preparation is not undertaken."

There is much you can do to better prepare yourself and your loved ones in the event we experience a significant weather emergency. In general, it is recommended that you do the following at the onset of Hurricane Season (officially started June 1st) here on Cape Cod:

1. Make a disaster plan for yourself, your family and your pets. Be sure you review it carefully with all members of your family.
2. Compile a Disaster Survival Kit.
3. Familiarize yourself with the flood risk in your area, as well as the location of the nearest emergency shelter.
4. Be prepared, ready and willing to follow the explicit directions of emergency preparedness.

Developing Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones. When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone.
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters **DO NOT** allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any / all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

**The Emergency Shelter Location for the Town of Barnstable is:
Barnstable Intermediate School, 895 Falmouth Road (Route 28), Hyannis (pets allowed)**

Our designated Emergency Alert Radio Station is WQRC 99.9 FM
WBZ 1030 AM is the alternate station.
