

**JOINT MEETING WITH
BOARD OF HEALTH AND CONSERVATION COMMISSION
MEETING AGENDA
Tuesday, January 31, 2017 at 3:00 PM
Town Hall, Hearing Room
367 Main Street, 2nd Floor, Hyannis, MA**

Presentation

Mark Nelson, Horsley Witten Group, will discuss impacts of septic systems on pond water quality. In addition, he will share Board of Health draft regulations developed for the Town of Brewster and designed to protect ponds.

The draft regulations address multiple areas to help reduce nutrients and contaminants, of emergent concern, from entering pond water.
