**Town of Barnstable
Complimentary 15-Minute Waiting Area at Bismore Park, Hyannis Harbor**

In continued efforts towards balancing public safety with enhancing quality of life, the Town of Barnstable Parking Management Program is proud to announce starting on April 20th, 2018 a newly created complimentary 15-minute waiting area at Bismore Park, Hyannis Harbor. This designated area aims to alleviate congestion of personal vehicles, taxis, shuttle services and transportation network company (TNC) vehicles picking up or dropping off passengers at the ferry terminal. Designated spaces closest to the ferry terminal will be signed appropriately to assist guests in properly identifying the area eligible for the complimentary 15 minute spaces.

In order to ensure the 15 minute waiting area is successful, the Parking Management team will monitor and manage the area including any vehicle obstructing the waiting area stalls. Therefore, it is highly recommended any vehicle needing to park for longer than 15 minutes, including taxis and TNC, pay for parking or find an alternative, compliant parking area.
