A MONTHLY TOWN OF BARNSTABLE NEWSLETTER

APRIL 2018

FROM THE TOWN MANAGER

Spring is in the air and new beginnings are around every corner. The DPW is starting their annual clean-up activities and economic activity is blooming all over town. We will look forward to watching things flourish as the season progresses.

We presented the Capital Improvements Plan to the Town Council on March 15th and the first public hearing is scheduled for April 5th. We will be submitting the Operating Budget to the Town Council in May.

Congratulations to the Barnstable Youth Commission on their successful Community Substance Abuse Prevention Forum and 4th Annual Youth Summit. It is inspiring to see our youth taking a leadership role with such a challenging and life changing subject.

National Volunteer Week this year is recognized during April 15-21, 2018. This year's theme is "Volunteers Make The World A Brighter Place". On behalf of the Town of Barnstable, I would like to publicly thank all of those volunteers who give countless hours to serve on our various boards, committees and commissions. And where would we be without the dedicated volunteers who work with our Recreation Division's Beach Sticker/Parking Permit program? Or our Senior Services volunteers who do everything from greeting visitors at the front desk to driving the Silver Express van and Nissan Leaf to helping prepare taxes during this time of year? Or those volunteers who work assisting our staff with our Shellfish propagation program? The Barnstable Police Department's Volunteers in Police Service (VIPS) is widely recognized as an outstanding volunteer program with volunteers serving at the front desk and as couriers and they are a vital part of the Hyannis Main Street and West Villages Police Substations. Barnstable Public Schools have hundreds of volunteers on a daily basis. We are truly grateful for all of you who give back to your community and we hope that you will continue to do so. Thank you for your service!

Happy Spring!

Mark Ellis

NOTES FROM THE TOWN CLERK'S OFFICE

The Town Clerk's office is working diligently to input the Town Census data. If you did not receive a Town of Barnstable Census form or forgot to return it – it is not too late. Just call our office at 508-862-4044.

Now is the time to send in your photos of your family dog in order to enter **Barnstable's Best Dog Contest for 2018!** Starting on April 1st, send in your dog's photo (put your name and address on the back) along with a check for the dog license. Don't forget to come in and vote too! The contest ends on May 1st. Once the contest is over we will return the photo and the new dog tag to you.

Barnstable's Best Dog Contest:

- Send the photo (with your name and address on the back);
- a stamped self-address envelope;
- Include a check for \$7 for a spayed or neutered animal or \$10 for a male or female dog;
- a copy of the current rabies certificate (if it has been updated recently); and
- Mail all of the above to: Town Clerk, 367 Main St., Hyannis, MA 02601.

The winner of Barnstable's Best Dog will receive the #1 tag and his/her photo will be on the Barnstable website for the coming year. We will accept photos until noon on the 1st of May. The winner will be announced on May 4th. So remember to come in and vote during that time for your favorite dog. All dog owners have until July 1, 2018 to get their 2018 license. Order early so you won't forget.

Ann M. Quirk, CMC/CMMC, Town Clerk 508-862-4044

FROM THE TOWN COLLECTOR'S OFFICE:

Just a friendly reminder:

Fourth Quarter Real Estate and Personal Property Tax bills are due May 1, 2018.

The first commitment of 2018 Motor Vehicle Excise Tax bills were issued on February 21, 2018 and were due on March 23, 2018. There are several commitments issued each year for the current year and also for prior years. These bills should be paid timely to avoid interest and penalties. If a bill is issued, it does not go away! You must pay the excise or file for an abatement with the Assessor's office if you no longer own the vehicle and should be done by the due date to avoid interest and penalties.

If you have any questions or concerns, please do not hesitate to call the Town Collector's office at 508-862-4054. Any questions regarding the abatement process should be directed to the Assessor's office at 508-862-4022.

Happy Spring!

Superintendent's Corner

Dear BPS Community,

I write to share information on school safety in Barnstable Public Schools. The unthinkable tragedy at Marjory Stoneman Douglas High School has caused many to ask, and families have every right to expect that schools are safe places to learn.

School safety is our highest priority. A publication titled, "Massachusetts Task Force Report on School Safety and Security" was released in 2014. The report details best practices for school safety at school and district levels. Since its release, the recommendations within the report have guided my work as superintendent. The report stresses an emergency management cycle of Prevent, Prepare, Respond, and Recover. Our schools are currently implementing many of the recommendations within the report, and we will continue to address areas where additional resources and plans are needed. Below I have identified key areas from the report, along with reminders of our own high priorities for implementation.

PREVENT

A key component of prevention is a positive school climate, and the relationships between adults and students. Our ongoing district priority of social emotional learning contributes to a positive school climate. Adults can help develop a culture of "hear something, see something, say something" where students feel comfortable reporting threatening behaviors to adults. In addition to supporting a positive school climate, our schools enhance safety with operating protocols. Families should notice strict adherence, or in some cases a change, to our protocols. I have highlighted four examples below.

- *Access to schools is limited to one main monitored entrance.* The main office in each school will implement procedures that require the identification and intended purpose of every visitor. Moreover, Barnstable High School has implemented new procedures for the individual dismissal of students.
- *Visible visitor name badges.* Visitor badges allow staff to immediately identify a visitor. All visitors, including parent volunteers, are expected to wear visitor badges.
- *Student identification badges.* Beginning with the 2018-19 school year, all students will be required to have identification badges with lanyards. Schools will implement developmentally appropriate practices with the badges.
- *Anonymous tip line system.* Shortly, we will be launching an anonymous tip line system that students, parents, and community members can use. More information will follow via email with specific information, and we will post the information on our website.

PREPARE

For an effective response, before incidents occur, emergency procedures need to be developed through several cycles of plan, practice, and review. Whole school plans, protocols and drills are a large and critical part of preparing to respond to incidents.

- *ALICE response.* All staff will receive training in ALICE protocols. ALICE (Alert, Lockdown, Inform, Counter, Evacuate) emphasizes proactive, options-based strategies during an emergency. ALICE training is different than our current Run-Hide-Fight protocol from the U.S. Department of Homeland Security. ALICE training is intended to empower staff as decision-makers in an event.

RESPOND

The success of a response to an incident requires the immediate integration of school staff and first responders. Last April, Barnstable Public Schools established an Emergency Planning Task Force. The task force includes representatives from fire, police, DPW, and district personnel. The meetings have focused on emergency responses with first responders, as well as identifying specific evacuation and reunification plans for each of our nine schools.

- *Evacuation and Reunification Plans.* The Emergency Planning Task Force has identified plans for each school should the need arise to evacuate an entire school. Additionally, our evacuation plans include where parents/guardians will be reunited with their children in the case of a whole school evacuation. In order to maintain security, we are not publishing these plans to the public. Please know that our plans include communication to parents/guardians through our phone and email notification systems.
- *Upgrades to BPS infrastructure.* Through our capital and operating budget we continue to enhance security systems. These include increased and enhanced video surveillance systems that can be accessed by first responders, and communication devices and systems. The details of the infrastructure will not be made public in order to protect security.

RECOVER

The goal of recovery is to restore a safe and healthy learning environment in a school. It is the process of mending the physical and psychological health of school community members, as well as restoring its physical facilities to re-establish a positive learning environment. We are fortunate to have highly qualified school counselors and school psychologists who are able to assist with recovery efforts.

- *School crisis response teams.* Each BPS school has an established crisis response team that is responsible for leadership during recovery efforts. This includes collaborating with outside partners as necessary to meet the needs of staff and students.

Our actions in prevention, preparedness, and responsiveness, are the best way to ensure schools are safe places to learn. As we ensure fidelity to our protocols, families may observe changes that are intended to enhance our current security measures. We thank you for your patience and understanding.

Please contact your child's principal if you need clarification or have questions about protocols. While we want to avoid compromising security through public discussions of measures that are in place, we do want to be sure that BPS parents and guardians have their questions answered by building principals. Further, we welcome input from parents/guardians, students, and staff about our safety and security protocols. We remain committed to ensuring that all of our students attend schools that are safe, welcoming, and nurturing. We are grateful for your continued support and partnership in this important endeavor.

Sincerely,
Meg Mayo-Brown

TOWN HALL & SCHOOL ADMINISTRATION BUILDING MASONRY SEALER

Description

This project protects previously completed masonry restoration work for both the Town Hall and School Administration Buildings (SAB). The Town Hall is the public image of the Town of Barnstable. Exterior restoration work was completed using Community Preservation Act (CPA) funds, during which masonry sealer was installed to protect the soft brick from water absorption. The masonry on both the Town Hall and SAB buildings is West Barnstable Brick from 1897, which is known to be soft and porous. This masonry coating protects for between 5 and 8 years before the masonry needs recoating.

Barnstable Adult Supportive Day Program **Supporting Elders and Caregivers in our Community for 18 years**

Located in the Barnstable Senior Center, 825 Falmouth Road, Hyannis

The Barnstable Adult Supportive Day Program is a community based, professionally operated program which has been an integral part of the Town of Barnstable and a trusted resource for local families for over 18 years. The Adult Supportive Day Program provides a safe, comfortable and welcoming environment to elders/seniors who cannot, or wish not to stay home alone during the day. If you are a caregiver in need of respite, or a senior who may benefit from the Adult Supportive Day Program, we would be happy to meet with you and discuss how we may help meet your needs. Please call **(508) 862-4765** to schedule a tour and a Free Trial Day.

Be sure to check out all the fun and exciting programs at the Barnstable Senior Center.

Crafty Crocheting - Mon. Apr. 2-May 21, 12-1p.m. Fee-\$42. Learn to make high-quality, unique gifts, handcrafted with love. Nedra Allen will teach you about different crochet hooks, a variety of yarns, basic stitches, reading patterns and completing a project.

Sewing with Lorraine & Ginger - Tue. Apr. 3-24, 1-4 p.m. Fee-\$40 for Series or \$15 per Class. This class is for adults who want to learn the basics of sewing with a sewing machine, brush up, or learn new skills. It is taught with an informal style based on student skills and interests by volunteers who are experienced life-long sewers. Students use their own machines, if they have them, and provide their own materials. Please contact Lorraine at lorraine@outlook.com or 508-362-3645 before registering. If you do not have a sewing machine that you can bring to class, please do not buy one without talking with Lorraine first. Enrollment is limited to six per class.

Butterflies of Cape Cod with Joe Dwelly - Thu. Apr. 5, 1:30-2:30 p.m. RSVP-REQUIRED by March 30-Free. We have identified over 70 species of butterfly across Cape Cod. In this presentation we will look at photos and discuss features used to identify butterflies, their relationship with plants, their habits, identify good places on Cape Cod to find them and we will talk about butterfly gardening and attracting butterflies to our yards.

What's All the Streaming About? - Wed. Apr. 11, 2:30-3:30 p.m. RSVP-Free. It all started with Netflix, now there are so many choices. Paul Zevon will explain streaming content and how "cord cutters" (cancelling cable) are dropping expensive cable tv packages and streaming much of the same content for much less money.

Soaring Voices and Fancy Footwork: The Hollywood Movie Musical - Wed. April 18, 2-3 p.m. RSVP-Free. Frank Mandosa returns to the BSC under great demand to share his knowledge of Hollywood musicals, focusing on classics such as On the Town, Singin' in the Rain, West Side Story, My Fair Lady, and the Sound of Music.

Rubber Stamped Table Runner - Thu. Apr. 19, 3:30-5:30 p.m. Fee: \$15 (includes \$5 Material Fee) Limited to 15. Design your own table runner with rubber stamps and permanent ink, completely washable! Katri Mullaly of Sisukat Designs will lead you to create a beautiful table runner for your home or as a gift, providing numerous rubber stamp options, from seasonal, nature, holiday, sentimental and whimsical patterns.

The Science of Hope: Progress Toward a World Without Alzheimer's Disease - Mon. Apr. 23, 1:30-3:30 p.m. RSVP-Free Required by April 20. Kelsey Gosselin, Manager of Medical and Scientific Research Engagement for the Alzheimer's Association, Massachusetts/New Hampshire Chapter oversees research education programs and builds relationships with the local research community. Before working for the Alzheimer's Association, Kelsey received her BS in Biochemistry at Rochester Institute of Technology and her MA in Neuroscience at Boston University. She will discuss the latest in Alzheimer's disease and dementia research, how this knowledge is being translated into novel therapies and prevention strategies, as well as steps you can take today that may reduce your risk of cognitive decline. This program is sponsored by the Alzheimer's Association.

Noah Janowicz, A Classical Performance - Thu. Apr. 26, 2:15-3:15 p.m. RSVP-Free. Noah is a senior at Barnstable High School. At the age of seven, he began playing the violin and the cello at the age of twelve. He has performed with the Cape Youth Symphony, Senior Southeast District Orchestra and the Massachusetts All State Orchestra; attended various summer music programs including the Cypress String Quartet Summer Music Program, Green Mountain Chamber Music Festival, and the Luzerne Music Center. Presently at the New England Conservatory Preparatory School, he is a student of Elizabeth Schultze. Noah will be performing Bach Cello Suite No.1 Prelude and Allemande, and then Bach Cello Suite No.3 Prelude and Sarabande.
