TOWN OF BARNSTABLE
NEWSLETTER

May 2017

From the Town Manager

Dear Reader:

After a long winter, we are grateful to see the sun shining on our Town. Our DPW crews along with all departments continue to be hard at work to clean up all that Mother Nature has left behind. Preparations are underway for the upcoming summer season. We are looking forward to the continuing seasonal changes.

As I mentioned last month, we are in budget season. Our Capital Improvements Plan (CIP) budget was presented to the Town Council in April. The Town Council will receive the FY2018 Operating Budget document at their May 4th Town Council Meeting. We will announce the dates for the budget workshops when they become available.

Memorial Day is May 29th and marks what would have been John F. Kennedy's 100th birthday. The John F. Kennedy Memorial and John F. Kennedy Hyannis Museum will be marking the occasion with centennial events. A special exhibit entitled "JFK at 100: Life & Legacy" will open at the JFK Museum this month and a weekend of celebration will include our Annual JFK Memorial event on Memorial Day at 12:15 PM. We hope that you will be able to join us in celebrating the life of a President who was also our neighbor.

MAY MEMO'S From the Town Clerk

Hello Barnstable: We are selling the 2017 dog tags for your favorite canine starting the first week of May. In the next edition of the bulletin, we will feature Barnstable's Best Dog!

You can renew your dog's license by mail by sending to us the following:

- ◆ a stamped self-addressed envelope;
- ◆ Include a check for \$7.00 for a spayed or neutered animal,
- ◆ or \$10.00 for a male or female dog;
- ◆ a copy of the current rabies certificate (if it has been updated recently)
- ◆ Please include your email address. This will enable us to send out a reminder for next year's dog licensing!

Mail all of the above to: Town Clerk, 367 Main St., Hyannis, MA 02601.

You may also renew the dog license in person during regular office hours (Monday through Friday 8:30 AM to 4:30 PM). A photo of Barnstable's Best Dog will be in our June notes since we have not had the voting yet. I want to send out a big thank you to all the dog owners who entered their favorite canine in the contest. It is so much fun to see the great photos of the dogs, and it is a fun time to vote for your favorite dog!

Remember you must have a new tag on your dog by July. To avoid having to pay late fees renew your license now!!! Remember, our dog year runs from July 1 to June 30th....so these new tags will go on your dog on July 1.

✦ A reminder to all of you interested in running for Town Council, School Committee, Housing Authority or Town Clerk, nomination papers will be available starting on **June 13th at 6 PM** in the Selectmen's Conference room at Town Hall, 367 Main Street, Hyannis. We will cover the campaign finance laws, the number of signatures needed, and the date you need to return your nomination papers to this office. If you are unable to attend this meeting the nomination papers will be available starting on June 14th in the Town Clerk's office.

✦ We are scheduled to have a **Special Election** on **Tuesday, October 24, 2017 from 12 noon until 8 PM**. On this ballot will be a question specifically for funding a new building for the Cape Cod Regional Technical High School.

✦ The **Town Election** is scheduled for **Tuesday, November 7, 2017**.

✦ If needed, the Preliminary Election is scheduled for **Tuesday, September 19, 2017**

We will be sending out more information on the upcoming elections as they draw closer.

The Town Clerk's Office is open from 8:30AM to 4:30PM, Monday through Friday, if you have any questions...please call us on 508-862-4044!

Superintendent's Corner

Happy Spring!

As our Barnstable Public School students are enjoying the early signs of Spring, we continue with our Fiscal Year 2018 Budget process and Capital Improvement Projects. On April 6, 2017 the Town Council approved capital improvement projects that continue to protect taxpayer investment in school facilities. As approved, our facilities will realize new stadium bleachers and press box at Barnstable High School, a new roof for Barnstable-West Barnstable Elementary School, upgraded network infrastructure to support our increasing use of technology for learning, continued asbestos abatement, new windows in the cafeteria area at Barnstable High School, upgraded energy efficient heating systems throughout our schools, and an enhanced library media center for our high school students. We are grateful to the Barnstable School Committee and Town Council for their continued support of school facilities.

The Fiscal Year 2018 Budget for Barnstable Public Schools received unanimous approval from the School Committee at their April 5th meeting. The budget process continues with our submission to the Town Council. In order to align our fiscal and human resources with the needs of our 5,000 students, the School Committee is engaging in a strategic planning process. This process is designed to elicit feedback from teachers, administrators, families, and community members on priority areas for the next three years. To date, three broad areas of need have been identified:

1. Academic and instructional programming to support student needs, talents, interests, and cultural diversity.
2. Social and emotional programming to support the development of the Whole Child.
3. Collaborative partnerships to support the academic, instructional and SEL programming.

The School Committee will discuss these areas in greater detail during their workshop session on April 26th. Our ongoing strategic planning process will result in a document that serves as our three-year roadmap as we continue to both expand and refine our programming to meet the needs of Barnstable students. The School Committee welcomes input, feedback and suggestions regarding areas that are emerging as priorities.

In closing, I would like to share a picture of our "Mad Scientists" from Centerville Elementary School as they presented their ideas about science to the Barnstable School Committee!

AS OF APRIL 13, 2017

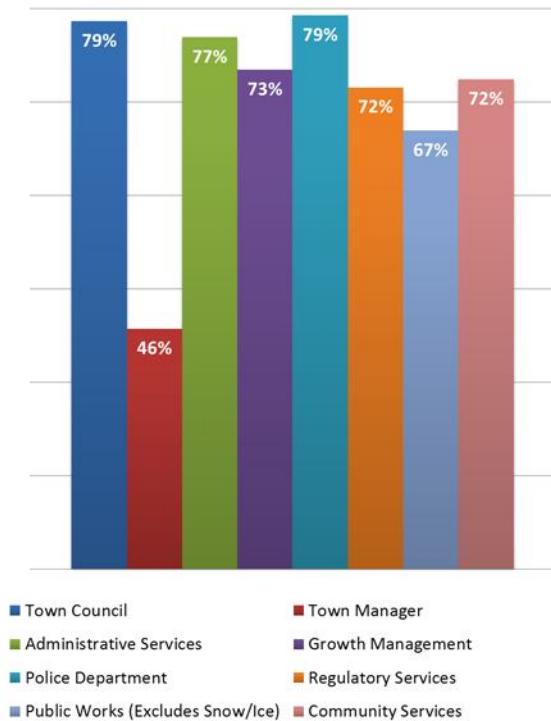

BARNSTABLE'S BUDGET

Excluding fixed cost and snow/ice removal cost, the town of Barnstable's general fund operating budget as of April 13, 2017 is tracking 72% of overall budget.

GENERAL FUND BUDGET BY DEPARTMENT

PERSONNEL BUDGET BY DEPARTMENT

Personnel cost are the largest component of the budget. These costs are typically static and should track in line with payroll. Therefore, as of April 13th payroll, personnel cost should be in line with 77% of a departments personnel budget. Town Manager's personnel costs are well below threshold at 46%, which is due to the Assistant Town Manager position being vacant most of the fiscal year.

The Town of Barnstable's operating and capital budgets are now online at <http://budget.townofbarnstable.us>

A Note from the Town Collector

Just a friendly reminder:

✓ **Fourth Quarter Real Estate and Personal Property Tax bills are due May 3, 2017.**

The first commitment of Motor Vehicle Excise Tax bills was issued on February 20, 2017 and was due on March 22, 2017. and the second commitment has also been issued on April 5, 2017 and due on May 5, 2017. There are several commitments issued each year for the current year and also for prior years. These bills should be paid timely to avoid interest and penalties. If a bill is issued, it does not go away! You must pay the excise or file for an abatement with the Assessor's office if you no longer own the vehicle and should be done by the due date to avoid interest and penalties.

If you have any questions or concerns, please do not hesitate to call the Town Collector's office at 508-862-4054.

Happy Spring!

News from Consumer Affairs-Sealer of Weights and Measures

Submitted by Jane Zulkiewicz-Sealer of Weights and Measures

Skimmers have been making their way into the marketplace via credit card readers on gas dispensers. Weights and Measures (W&M) inspectors will be watchful at their gas meter inspections to see if any credit card skimmer devices, which steal your personal information have been installed.

You will notice that most dispensers have a special type of pressure sensitive security tape at the door access to the inside of the dispenser. The tape should have the company name and a serial number on it. If removed it will leave a void imprint left by the tape. This will indicate entry into the unit and should be investigated.

When the W&M inspectors access the unit they will be looking for a ribbon or pig tail from the card reader to the motherboard. If the ribbon has a large bundle wrapped in black, white, red or gray shrink wrap type tape with extra loose wires a picture will be taken, and it will be reported to the local police.

Barnstable W&M will be working with gas station technicians to keep us informed if any skimmers are detected in our jurisdiction. During the 2016 gas meter inspections of the 90+ gas stations we serve, no skimmers have been found. In one case the office received a complaint stating a person felt his credit card had been compromised at a specific gas station. I arrived at the station and much to my surprise the technician who services the pumps had arrived to do a complete inspection for skimmers at each dispenser. The technician showed me what to look for in the sea of motherboards, plugs and wires. Many of the dispensers have their own 'security system; if accessed an alarm will go off and the dispenser will cease to operate 'therefore needing attention from the attendant.

To reduce your risk at the pump:

- Use credit cards rather than debit cards. You're protected from illegal activity on both types of cards, but disputes about credit card fraud are easier, faster and won't impact your bank balance.
- Use pumps in view of the station office. They're harder for thieves to compromise without being detected.
- Regularly review your statements or accounts for unauthorized activity. Alternatively, set up text alerts from your bank notifying you of card activity.
- Pay inside the station if possible.

If you have any questions or concerns regarding the performance of a commercial weighing or measuring device used for trade, bring it to the attention of the merchant. If the problem is not resolved, contact the local Weights & Measures office for advice and/or assistance. The Barnstable Weights & Measures jurisdiction includes; Barnstable, Bourne, Brewster, Chatham, Dennis, Harwich, Mashpee, Orleans, Sandwich and Yarmouth.

We can be contacted at 508-862-4671 OR www.town.barnstable.ma.us link to Regulatory Services, link to Consumer Affairs Division, link to Weights & Measures.
