

The Barnstable Bulletin

A MONTHLY
TOWN OF BARNSTABLE NEWSLETTER
AUGUST 2017

From the Town Manager

Dear Reader:

All seven villages in the Town of Barnstable have been bustling with activity. There are so many choices it is sometimes difficult to decide which activities will be included in our weekend plans. There are free, evening concerts in Barnstable Village, Osterville and Hyannis. As the only Town with two teams – the Cotuit Kettleers and Hyannis Harbor Hawks – the Cape Cod Baseball League provides us with plenty of excitement. The John F. Kennedy Hyannis Museum is celebrating its 25th Anniversary of operation during the Centennial year of JFK's birth. Be sure to walk the Kennedy Legacy Trail and visit the beautiful Kennedy Memorial on Ocean Street. We are looking forward to the 32nd Annual Pops by the Sea concert on the Hyannis Village Green on Sunday, August 13th with Dr. Greg Skomal as Celebrity Guest Conductor and featuring the music of Composer John Williams. Maestro Keith Lockhart is celebrating his 22nd Anniversary with this annual event. If you want to "be in the know" be sure to visit ArtsBarnstable.com – Seven Villages – One Town – All Things Arts & Culture.

Another great summer time activity is the Cape Cod Lifeguard Competition. Lifeguards from across Cape Cod compete in a number of events, testing their swimming, running, agility, and lifesaving skills. Last year our Town of Barnstable Lifeguards claimed first place in the non-surf division. This year's event will be held at Newcomb Hollow Beach (1175 Gross Hill Road) in Wellfleet on Thursday, August 10th beginning at 10:00 AM. We hope you will help us cheer our team on!

Wishing you an *eventfull* summer,

Mark S. Ellis

There are three candidates for the Precinct 12 Town Council position as follows:

A Note from the Town Collector

We hope you are having a safe, happy, and healthy summer! The FY2018 Preliminary Real Estate and Personal Property tax bills were issued and mailed on June 30th. The following is the schedule for payments:

Personal Property Taxes for Fiscal 2018

Preliminary Tax Bills mailed June 30, 2017.	Actual Tax Bills will be mailed by Dec 29, 2017.
1st Quarter due Aug. 1, 2017	3rd Quarter due Feb. 1, 2018
2nd Quarter due Nov. 1, 2017	4th Quarter due May 1, 2018

We continue to use a Lockbox service to process the payments. This has proven to accelerate the payment posting and the checks getting processed in a timely manner. This service is only for the "open" period of the bill, which means that once the due date is reached, you should mail the payment to The Town of Barnstable, PO Box 40, Hyannis, MA 02601, to avoid a delay.

If you use your own on-line bill payment process, would you kindly check and make sure that the proper address is used for the mailing address (Town of Barnstable, PO Box 40, Hyannis, MA 02601). These on-line checks must be processed manually and sending them to the Lockbox delays the processing.

If you have any questions or concerns, please do not hesitate to contact our office at 508-862-4054.

Regards,

Maureen E. Niemi, Town Collector and Staff of Golda, Jennifer and Laurel

Superintendent's Corner

Summer Greetings!

In my first year as Superintendent of Barnstable Public Schools, I have learned a tremendous amount from the students, teachers, staff, parents, town officials and community about what a special place the Town of Barnstable is to live, work and receive an education. As part of my Entry Plan, I met with the many stakeholders that make up Barnstable Public Schools through interviews, meetings and public forums. From these sessions, the strengths of the district were revealed:

- The range of instructional and co-curricular programming for students Pre-K through grade 12.
- The global diversity of the student body.
- Relationships across the district.

I am proud to be a part of such a successful and diverse school district. Thank you for welcoming me so warmly into your community.

Even though summer is in full swing, the work in Barnstable Public Schools continues:

Facilities Summer Projects

David Kanyock, Facilities Director, is working on many summer projects at our schools including Barnstable United Elementary (BUE) lavatory upgrades, BUE lock upgrades, Barnstable-West Barnstable Elementary (BWB), Hyannis West Elementary (HYW) and Centerville Elementary swings and playground installations, West Villages Elementary (WVE) auditorium roof top unit heat exchanger replacement, Barnstable Intermediate School (BIS) roof top HVAC maintenance, BIS public address system upgrade, water fountain replacement at HYW, BUE and WVE, and parking lot painting at BWB, Barnstable Community Horace Mann Charter Public School (BCHMCPS), BUE and Barnstable High School (BHS). Thank you Dave and his team for all the work they do to maintain our schools.

Kindergarten Jumpstart at Hyannis West Elementary

Data indicates that each year more than half of incoming HYW Kindergarten students do not attend preschool. These students are at a disadvantage compared to their peers who have attended some type of program. As a result, utilizing Title I funds, HYW established the Jumpstart Program.

For two weeks each summer the Jumpstart Program provides incoming Kindergarten students with an opportunity to learn school readiness skills, such as; Responsive Classroom routines, appropriate bus and classroom behavior, standing in line and walking in the hall, raising their hand, sharing, taking turns and the expectations of a good listener. These skills are modeled and practiced in an enriching and small group environment that nurtures their growth.

Research shows that children who attend Kindergarten readiness programs, like Jumpstart, are more likely to do well in school and attend college. Students who attend the Title I Jumpstart Program become familiar with the school setting which increases their excitement, decreases anxiety, and students are better prepared to begin their school experience at Hyannis West.

Summer Leadership Institute

Our three-day Summer Leadership Institute will take place from August 15 to 17. This is an opportunity for all district leaders to discuss the priorities for the 2017-2018 school year. This work will help to set the tone for the coming school year and develop team building skills that will promote district-wide and school-wide collaboration and communication. We look forward to a productive time together.

Summer Graduation

Summer Graduation will be on Monday August 21st at 5:30 PM in the Cobb AstroPark. In Barnstable's 6th year of doing a Summer Graduation, we are expecting 17 graduates. Principal Patrick Clark and Project Excel Director Alik Taylor speak at the event. Principal Clark stated "in trying to live our Core Values, we felt strongly that students who needed more time to meet graduation standards should celebrate their accomplishment with teachers, family and friends, so we began this tradition in August of 2011." Congratulations to all Graduates!

As the summer winds down, we will continue to prepare for the new school year which starts on Wednesday, August 30 for grades 1 – 12. (Kindergarten begins on August 31 and Pre-K begins on September 5).

Wishing everyone a continued happy and safe summer,

Meg

HURRICANE PREPAREDNESS

According to the Cape Cod Emergency Preparedness Handbook: "Of all the natural disasters that might affect Cape Cod, hurricanes have the potential to cause the most property damage and loss of life if adequate planning and preparation is not undertaken." There is much you can do to better prepare yourself and your loved ones in the event we experience a significant weather emergency. In general, it is recommended that you do the following at the onset of Hurricane Season (officially started June 1st) here on Cape Cod:

Make a disaster plan for yourself, your family and your pets. Be sure you review it carefully with all members of your family.

1. Compile a Disaster Survival Kit.
2. Familiarize yourself with the flood risk in your area, as well as the location of the nearest emergency shelter.
3. Be prepared, ready and willing to follow the explicit directions of emergency preparedness.

Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones. When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone.
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters DO NOT allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any/all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

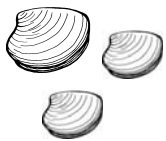

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

The Emergency Shelter Location for the Town of Barnstable is:

**Barnstable Intermediate School
895 Falmouth Road (Route 28), Hyannis
(pets allowed)**

Our designated Emergency Alert Radio Station
is WQRC 99.9 FM.

WBZ 1030 AM is the alternate station.
