A Monthly Town Of Barnstable Newsletter

AUGUST 2018

FROM THE TOWN MANAGER

Dear Reader:

All seven villages in the Town of Barnstable have been bustling with activity. There are so many choices it is sometimes difficult to choose which activities will be included in our weekend plans. There are free, evening concerts in Barnstable Village, Osterville and Hyannis. As the only Town with two teams – the Cotuit Kettleers and Hyannis Harbor Hawks – the Cape Cod Baseball League provides us with plenty of excitement. The John F. Kennedy Hyannis Museum has two special exhibits this summer – the Newseum's *Creating Camelot* and *RFK: Ripples of Hope*. Be sure to walk the Kennedy Legacy Trail and visit the beautiful JFK Kennedy Memorial and the Korean War Memorial on Ocean Street. We are looking forward to the 33rd Annual Pops by the Sea concert on the Hyannis Village Green on Sunday, August 12th with Dermot Mulroney as Celebrity Guest Conductor. Maestro Keith Lockhart is celebrating his 23rd Anniversary with this annual event. *Discover Barnstable* at Bismore Park is a great way for you to know more about how different Town Departments and Divisions work for you. If you want to "be in the know" be sure to visit www.ArtsBarnstable.com – *Seven Villages – One Town – All Things Arts & Culture*.

Another great summer time activity is the Cape Cod Lifeguard Competition. Lifeguards from across Cape Cod compete in a number of events, testing their swimming, running, agility, and lifesaving skills. Last year our Town of Barnstable Lifeguards claimed first place in the non-surf division. This year's event will be held at Craigville Beach on Friday, August 10th beginning at 10:00 AM. We hope you will help us cheer our team on!

Wishing you an event-full summer,

Mark Ellis

A Note From The Town Collector's Office:

We hope you are having a safe, happy, and healthy summer! The FY2019 Preliminary Real Estate and Personal Property tax bills were issued and mailed. The following is the schedule for payments:

- | | |
|---|---|
| • Preliminary Tax Bills were mailed June 29, 2018 | • Actual Tax Bills will be mailed by Dec 31, 2018 |
| • 1st Quarter due Aug. 1, 2018 | • 3rd Quarter due Feb. 1, 2019 |
| • 2nd Quarter due Nov. 1, 2018 | • 4th Quarter due May 1, 2019 |

We continue to use a Lockbox service to process the payments, which has proven to accelerate the payment posting and the checks getting processed in a timely manner. This service is only for the "open" period of the bill, which means that once the due date is reached, you should mail the payment to The Town of Barnstable, P.O. Box 40, Hyannis, MA 02601 to avoid a delay.

If you use your own on-line bill payment process, would you kindly check and make sure that the proper address is used for the mailing address (Town of Barnstable, P.O. Box 40, Hyannis, MA 02601)? These on-line checks must be processed manually and sending them to the Lockbox delays the processing.

If you have any questions or concerns, please do not hesitate to contact our office at 508-862-4054.

Regards,

Maureen E. Niemi, Town Collector and staff of Jennifer and Laurel

School Facilities Department Hard at Work this Summer

While the students and many of the staff are enjoying their time off this summer, the Facilities Department led by Dave Kanyock is hard at work on several projects across the district.

BHS 21st Century Learning Center

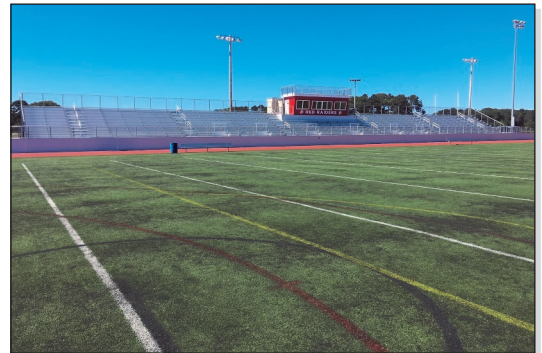

The BHS library is getting a facelift and a new name: 21st Century Learning Center. The space will be

equipped with computers and different areas for studying in groups or in quiet spaces. The room will have a special glass wall that changes its tint based on the amount of sunlight hitting the glass. This technology will help keep the room temperatures comfortable and save on the energy used in the space. Construction on the space has begun with an expected completion date of November 1st.

Other District Projects

- BCHMCPS Exterior Renovation and Accessibility Upgrades
- BHS Bleacher Replacement
- BHS Café Storefront and Window Replacement
- BHS Field Upgrades Design
- BHS VOIP Phone and PA System Upgrade
- BWB Roof Replacement
- BWB and Centerville Asbestos Abatement
- BWB Unit Ventilator Upgrades
- Hyannis West Café Truss Repairs
- Hyannis West Walk-in Cooler Replacement
- West Villages Emergency Generator Replacement
- Stage Lighting in the PAC at BHS. Cape Light Compact gave the district a grant in the amount of \$235,000 to replace all the lighting in the PAC. This lighting will save the district \$79,000 a year.

These are the larger projects the Facilities Department is working on this summer. They are also cleaning the buildings and maintaining the grounds of all nine of the district's schools. Thank you to Dave Kanyock and his team for all their hard work over the summer and all year long!

Warmest regards,

Meg

2018 Atlantic Hurricane Season Begins

Start of Hurricane Season is a Reminder to Prepare

HURRICANE PREPAREDNESS

Be Ready Before the Storm

Hurricanes and tropical storms can impact the entire Commonwealth, not just coastal regions

Developing Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones.

When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone. Find out at <http://mass.gov/knowyourzone>
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters DO NOT always allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any / all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

The Emergency Shelter Location for the Town of Barnstable is:

Barnstable Intermediate School, 895 Falmouth Road (Route 28), Hyannis (pets allowed)

Our designated Emergency Alert Radio Station is WQRC 99.9 FM. WBZ 1030 AM is the alternate station.
