TOWN OF BARNSTABLE
NEWSLETTER

June 2017

From the Town Manager

Dear Reader:

It took a while for Spring to arrive, but we are glad it is here! Our community just witnessed a Memorial Day weekend full of wonderful events honoring those who made the ultimate sacrifice for us and our Country. We also celebrated the 100th Anniversary of President John F. Kennedy's birth.

I am pleased to welcome our new Assistant Town Manager M. Andrew "Andy" Clyburn to the Town of Barnstable. Andy was Captain at United States Coast Guard Joint Base Cape Cod and brings an exceptional leadership background to the Town. He is a strategic leader with years of experience in senior administrative roles, responsible for all aspects of planning, design, construction, operations and maintenance of large, complex, multi-stakeholder facilities. I hope you will join me in welcoming Andy to new his new position.

Travelers flying between New York's JFK Airport and Hyannis, MA on Cape Cod will again have a direct option as JetBlue begins its seasonal service between the two airports on Thursday, June 15. The customer-friendly airline will be offering nonstop flights through Sunday, September 24. You can read more about this service inside this issue of the Barnstable Bulletin.

We know that a lot of folks are already making plans for 4th of July activities taking place around Town. We have placed a 4th of July button prominently on the Town's website.

GOLF COURSE NEWS AND UPCOMING EVENTS FOR 2017

Manager's Message

Bruce R. McIntyre, Director of Golf

They say April showers bring May flowers, but so far all May has brought is more showers! Looking on the bright side, after last year's dry conditions, everything will benefit from some much needed precipitation.

Hopefully everyone has noticed all of the renovation work taking place at both Clubhouses. Much work has been completed this spring with the goal of finishing this phase by Memorial Day weekend.

The 'Tavern on the Green' restaurant at OBF is now fully operational to fulfill all of your food and beverage needs. Open daily, watch for upcoming dinner specials and sunset themed events.

A new fleet of carts was delivered to Hyannis GC last month and so far the customer feedback we're getting is very positive. The new carts are very quiet, smooth and responsive.

The Operations and Maintenance programs are gearing up for another busy season. Our experienced, professional staff is working hard to ensure pass holders and guests alike have a quality golfing experience. The seasonal staff is returning, customer service is enhanced and the golf courses are being groomed into top condition.

Both golf shops are fully stocked with new merchandise, check out the offerings, and don't forget to pick up some limited edition 25th anniversary swag at OBF.

SUMMER SEASONAL SERVICE BETWEEN NEW YORK AND HYANNIS BEGINS IN JUNE

Travelers flying between New York's JFK Airport and Hyannis, MA on Cape Cod will again have a direct option as JetBlue begins its seasonal service between the two airports on Thursday, June 15. The customer-friendly airline will be offering nonstop flights through Sunday, September 24 aboard a 100-seat Embraer E190 twin-engine jet, an aircraft with a reputation for safety, as well as quiet takeoffs and landings.

"We are once again thrilled to have JetBlue back in Hyannis for the summer season," says Barnstable Municipal Airport Manager Bud Breault "Customers have already been asking whether they can purchase tickets for the route which shows how much Cape Cod and travelers coming from New York are enjoying the convenience."

Inbound flights from New York are scheduled to arrive in Hyannis at 12:17PM; flights are due to depart for New York about 40 minutes later, at 12:54 PM.

This year the popular JetBlue flights will extend deep into September with flights four times a week between Friday, September 8 through Sunday, September 24.

"First launched in 2014, our Hyannis service is a win-win for JetBlue customers on both sides of this great route," said John Checketts, director route planning, JetBlue. "Whether seeking out the calm coastline of Cape Cod, or visiting the bustle of Broadway in the city that never sleeps,

fliers are less than an hour away from the attractions of their favorite summertime escape." Customers who use Barnstable Municipal Airport to travel to Nantucket will also have several airlines to consider as they travel to the island this summer. Cape Air & Nantucket Airlines and Rectrix Shuttle will continue to offer daily options to the island.
