

The Barnstable Bulletin

A MONTHLY
TOWN OF BARNSTABLE NEWSLETTER
SEPTEMBER 2018

FROM THE TOWN MANAGER

Dear Reader:

Summer continues and school has already begun. We hope that the fall will bring with it many seasonal pleasures.

The sunshine brought visitors to our town to enjoy our beaches and our main streets and the occasional rain helped our local retailers. From Barnstable Village, Centerville, Cotuit, Hyannis, Osterville and West Barnstable all observed families enjoying outside dining, concerts, festivals and shopping. Barnstable Unity Day was again a very special celebration of our community. Discover Barnstable programming on Bismore Park was again very well received. Our signature events, the 4th of July celebrations, LoveLiveLocal festivals and the Pops by the Sea, all attracted large crowds who safely enjoyed our town.

As school starts there will be a continuation of village days and fall festivals in Marstons Mills and Hyannis. A Main Street celebration called "Open Streets" returns on Sunday, September 23rd. Following the success of its July outing, the LoveLiveLocal Festival will return the last Sunday in September. The crowds are smaller and we can all enjoy one of the best months on Cape Cod.

The Town of Barnstable will be participating again this year in the annual Park(ing) Day on Friday September 21st from 2:00-5:00 PM. The concept behind this international celebration day is to encourage community members, students, and designers to repurpose parking spaces into park-like areas for artistic expression, recreation and social exchange. I hope you can join us along Hyannis Main Street as we celebrate this event with other cities across the world.

After Labor Day, you will see additional construction projects on our roadways as we continue projects suspended during the summer season.

Wishing you a happy September,

Mark S. Ellis

Mission Statement of the Town of Barnstable

To protect the Town of Barnstable's quality of life and unique character, engage our citizens, and enact policies that respond to and anticipate the needs of our community.

Congratulations!

NEWS FROM THE TOWN CLERK'S OFFICE

September begins the fall election season. On Tuesday, September 4, 2018 we will be having the State/Federal primary election. My poll workers will be happy to see all of you. Here are a few reminders:

If you belong to a party (Republican, Democrat, or Libertarian – you will only be allowed to vote on your party ballot. If you are registered as Unenrolled you can take any of the 3 ballots. You also will not have to sign a party change card – you will remain Unenrolled.

If you are a member of a political designation such as Interdependent Third Party, Natural Law, Conservative, etc. you can vote in the primary election. You will need to decide which party to vote for in this election. Primaries are used by the political parties to choose their strongest candidate to represent them in the November election.

You must have registered to vote by August 15th in order to vote in the September State Primary. Once registered, you do not have to re-register, but you need to send in your census annually in order to confirm and keep current your voter status.

Bring identification with you to the polls (such as driver's license etc.). If you are "inactive" because you have moved or did not answer your census, you must show id and fill out an affirmation of continuous residence form before you vote.

Those people who registered to vote by mail anytime from Jan. 1, 2003, and did not show identification, must also bring identification in order to receive a ballot.

Any questions, please call the office and we will be happy to help you, 508-862-4044.

Ann M. Quirk, CMMC/MMC
Town Clerk

A Message From The Town Collector:

Where did the Summer go? It was a busy time for one and all and I would just like to remind you of a couple things going forward.

PAYMENT SCHEDULE FOR REAL ESTATE AND PERSONAL PROPERTY TAXES FOR FISCAL 2019

THE 2018 HYARTS ARTIST SHANTIES AT HYANNIS HARBOR ARE OPEN!

New artists are featured EACH week, throughout the season. TWO LOCATIONS!

At Bismore Park, Ocean Street and at the Harbor Overlook, along the Walkway-to-the-Sea at the corner of South and Ocean Street. The Bismore Park Shanties are named for the town's seven villages and each shanty exterior features past and present images of the villages. The Harbor Overlook shanties are named for three of the Town of Barnstable beaches: Sandy Neck Beach, Craigville and Keyes. Most artists open early and stay later, weather dependent.

SEVEN DAYS A WEEK SEP. - OCT. 8: 11:00 AM - at least 6:00 PM WEEKENDS: OCT. 12 - DEC.

Harbor Overlook location, hours tba

News You Can Use

Barnstable Residents – become involved in your town’s government, apply for a position on a board, committee or commission

Superintendent's Corner

Greetings!

Barnstable Public Schools ("BPS") began the 2018-19 school year by welcoming the return of educators and support staff on August 27, 2018. This year we are pleased to welcome 40 new teachers from the Cape and beyond, who will either begin or continue their teaching career with us. We were also excited to see the return of our 5,200 students on Wednesday, August 29!

The 2018-19 school year promises to be a year of learning for all ages. While our educators and support staff are dedicated to providing excellent instruction from preschool to grade 12, our culture of learning extends to all adults who work in Barnstable Public Schools. Whether learning about new school safety protocols, social emotional learning, or academic content, BPS is committed to the growth of our staff, as well as our students. While some may think that teachers have "the summer off," we want to share that our BPS educators have been very busy this summer. This summer we've seen our educators participate in professional development, write curriculum, take graduate level classes, run summer learning programs for students, and plan for new ways to engage learners.

The new school year brings new opportunities for our students to learn in all sorts of ways. At Barnstable High School ("BHS"), students will experience a new schedule with a wider range of course options. Moreover, since we have doubled our high school senior internship program, more BHS students will experience career settings as they intern throughout our community in business, public safety, and non-profits. We are excited that BHS and Barnstable Intermediate School students will have opportunities to learn in an outdoor Living Lab Wetland due to the efforts of the BHS Environmental Club. And, in kindergarten through grade 7, more Barnstable schools are building Makerspaces, where students can create, invent, and innovate. Finally, we cannot forget about the investment the School Committee has made in increasing technology in all schools, to enhance teaching and learning from preschool to grade 12.

In closing, we are incredibly proud of our BPS vision and Core Values adopted by the Barnstable School Committee. The BPS vision and core values are the foundation of our work with all students.

Vision Statement:

The Barnstable Public Schools educates the whole child by creating a student-centered school culture that addresses students' physical, social, emotional, and academic needs by creating a safe and healthy learning environment in which students are challenged, supported, and engaged.

Core Values:

In Barnstable Public Schools, we value commitment, collaboration, and community.

Commitment: We are dedicated to the continuous learning and growth of all.

Collaboration: We work together while keeping student needs at the center of all decision making.

Community: We build strong, respectful partnerships that support student success.

We are looking forward to a great 2018-19 school year!

Meg

2018 Atlantic Hurricane Season Begins

Start of Hurricane Season is a Reminder to Prepare

HURRICANE PREPAREDNESS
Be Ready Before the Storm

Hurricanes and tropical storms can impact the entire Commonwealth, not just coastal regions

<p>Use MEMA's interactive map to find out if you live or work in a hurricane evacuation zone</p>	<p>Know Your Zone</p>	<p>Make a Plan</p>	<p>Have a predetermined emergency plan tailored to your family's needs</p>
<p>Build an emergency kit that can sustain you and your family for 3-5 days</p>	<p>Build a Kit</p>	<p>Stay Informed</p>	<p>As a storm approaches, closely monitor media reports and promptly follow instructions from public safety officials</p>

Visit mass.gov/mema for more hurricane preparedness resources

Source: Massachusetts Emergency Management Agency (MEMA)

Mass.Gov

Developing Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones.

When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone. Find out at <http://mass.gov/knowyourzone>
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters DO NOT always allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any / all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

The Emergency Shelter Location for the Town of Barnstable is: Barnstable Intermediate School, 895 Falmouth Road (Route 28), Hyannis (pets allowed)

Our designated Emergency Alert Radio Station is WQRC 99.9 FM. WBZ 1030 AM is the alternate station.

STORM PRECAUTIONS

Hurricane season usually lasts from mid-August through October. Beside high winds, you can expect higher than normal tidal conditions, rough seas in protected areas, and a tidal surge of 10' or greater.

Vessels moored in high energy areas such as Lewis Bay and Hyannisport will lose the protection of the breakwater which will be submerged at high tide.

Plan ahead and be prepared. Make storm plans with your boatyard, yacht club or mooring contractor enabling them to do one or more of the following in the event of a storm:: haul your vessel, add lines, increase mooring scope, place storm anchors, move your vessel to a more protected area.

Get your boat out of the water if at all possible and place well above high water taking into account extreme tidal conditions and storm surge. Remember haul out areas and ramps will be extremely busy.

If you can't haul your vessel, you should remove:

1. All sails, roller furling, etc.
2. All dodgers, biminis, and enclosures
3. Antennas and electronics
4. All non-permanent equipment (deck chairs, rafts, boxes)
5. Ship's papers and valuables
6. Portable fuel tanks (gas, propane)
7. Pump excess water from bilge and drain water tank
8. Make sure batteries are charged, pump switches and intakes aren't jammed and are working freely
9. Secure windows, hatches, seacocks, and fuel lines to engines and cooking appliances. Make your boat is as watertight as possible. Check chafing gear.

Once your boat is secured, leave. Never stay with your boat during the storm.

Pumpout Boat

The Harbormasters Office requests your assistance in enhancing the water quality and the protection of natural resources. All boaters with marine sanitation devices on board are encouraged to use pumpout facilities to purge their holding tanks. The Town of Barnstable will maintain a pumpout station at the Town marina in Barnstable Harbor, Bismore Park and two pumpout boats providing service to the south side harbors and embayments. Several private marinas also provide for this service.

The Barnstable Pumpout Boats are in service for the boating season beginning Memorial Day through Columbus Day weekend. After Labor Day, the Pumpout will have a seasonal reduction in service. The pumpout boats will be running Wednesday through Sunday and can be easily identified. Both are white center console vessels with the lettering "HARBORMASTER" on both sides. The pumpout boats monitor VHF channels 16 and 09 during operating hours. Please continue to schedule pumpouts by email: pumpout@town.barnstable.ma.us or call the Harbormaster's office (508) 790-6273. It is helpful to schedule pumpouts in advance. The shore side pumpout will be available in Hyannis Harbor May through October as well as Barnstable Harbor.

COMMUNITY DEVELOPMENT BLOCK GRANT

Seeking Comments on Consolidated Annual Performance Evaluation Report

The Planning and Development Department is accepting comments on the Community Development Block Grant (CDBG) program year-end report for activities between July 1, 2017 and June 30, 2018. CDBG funds in the amount of \$283,342 were awarded from the U.S. Department of Housing and Urban Development (HUD) to carryout projects and programs that benefit low and moderate income residents by providing housing, economic opportunities or a suitable living environment. Residents are encouraged to review the 2017 Consolidated Annual Performance Evaluation Report (CAPER) on the Town website: <http://www.townofbarnstable.us/cdbg/cdbg-year-end.asp> and submit comments in writing on or before September 7, 2018 to: Attn: CDBG, Planning and Development Department, Town of Barnstable, 367 Main Street, 3rd Floor, Hyannis, MA 02601 or by email with "CDBG Comments" in the subject line to: kathleen.girouard@town.barnstable.ma.us. Please contact Kathleen at 508-862-4678 with any questions you may have about the program.

BARNSTABLE MUNICIPAL AIRPORT NEWS

Wings of Freedom – Airport Tour – September 24, 25, 26

Several World War II vintage aircraft will be landing next month at Barnstable Municipal Airport, where they will remain on display for several days. The tour includes the Boeing B-17 "Nine O Nine" Flying Fortress, Consolidated B-24 Liberator "Witchcraft," B-25 Mitchell "Tondelayo" and North American P-51 Mustang "Toulouse Nuts," according to a statement from the Collings Foundation's Wings of Freedom Tour.

The planes will be at the Hyannis airport from Sept. 24-26 and open for tours and flights (Sept. 24 @ 12:00 PM - Sept. 26 @ 12:00 PM). Visitors can explore the planes, including inside, for a cost of \$15 for adults and \$5 for children under 12. Thirty minutes of flying onboard the B-17 or B-24 is \$450 per person; flight training in the P-51 is \$2,200 for a half hour and \$3,200 for the full hour; B-25 flights are \$400 per person. To reserve a flight and for more information, call 978-562-9182.

The planes will arrive at 12:00 PM Sept. 24 and be on display until 5:00 PM that night; 9:00 AM to 5:00 PM Sept. 25; and 9:00 AM to 12:00 PM on September 26th, according to the statement. The flight experiences are scheduled before and after the ground time tour times.
