A MONTHLY TOWN OF BARNSTABLE NEWSLETTER
SEPTEMBER 2019

FROM THE TOWN MANAGER

Dear Reader:

Summer continues and school has already begun. We hope that the fall will bring with it many seasonal pleasures.

The sunshine brought visitors to our town to enjoy our beaches and our main streets and the occasional rain helped our local retailers. From Barnstable Village, Centerville, Cotuit, Hyannis, Osterville and West Barnstable all observed families enjoying outside dining, concerts, festivals and shopping. Barnstable Unity Day was again a very special celebration of our community. The expanded programming of Discover Barnstable at Bismore Park and the Harbor Overlook was again very well received. 4th of July celebrations in all seven villages, the LoveLocal festival and the Pops by the Sea concert, all attracted large crowds who safely enjoyed our town.

As school starts there will be a continuation of village days and fall festivals in Marstons Mills and Hyannis. A Main Street celebration called "Open Streets" returns on Sunday, September 22, 2019. Following the success of its July outing, the LoveLocal Fest will return the Sunday, September 29, 2019. The crowds are smaller and we can all enjoy one of the best months on Cape Cod.

After Labor Day, you will see additional construction projects on our roadways as we continue projects suspended during the summer season. Be sure to get the latest updates in your email box each Friday by subscribing to our weekly eNewsletter. You can sign up on the Town's website: <https://www.town.barnstable.ma.us/Departments/CommunityServices/Join-Newsletters.asp>.

Wishing you a happy September,

Mark Ellis

September - Autumn Annotations from the Town Clerk

By the time you see this information we will be experiencing the crisp nights of fall in the air. The Clerk's Office has another sign of fall...that's when we begin to prepare for elections.

The nomination season for elected town positions has passed. Preliminary Elections were removed from the Town Charter thus our **Town Election is scheduled for November 5, 2019**. The last day to register to vote or make any changes to your voter registration (for instance, if you recently moved) is October 16. On that day the Town Clerk's office will be open until 8:00 PM for any registration issues.

The following individuals will be on all ballots in the town: School Committee Members: (three seats available) Michael Judge, Kathleen Bent, and Joseph Nystrom. Running for two seats on the Housing Authority is incumbent: Deborah Converse, no one took nomination papers for the second seat.

The following odd numbered precincts will have Town Council seats up for election; there are contests in four of the precincts:

- Precinct 1 – John G. Flores versus Gordon Starr;
- Precinct 3 – Paul Hebert;
- Precinct 5 – James H. Crocker, Jr. versus David Bogan;
- Precinct 7 – Jessica Rapp Grassetti;
- Precinct 9 – Christopher Kehoe versus Tracy Shaughnessy;
- Precinct 11 – Philip Wallace versus Kristine Clark;
- Precinct 13 – Jennifer Cullum

All 13 polling locations will be open from 7:00 AM – 8:00 PM on November 5th for voting. All the candidates need you to vote! So please mark your calendar to vote on Tuesday, November 5th because your vote is your voice!

We hope to have the Absentee ballots by the first week in October. If you are planning on going south in the fall and will not be here for the November 5, 2019 election, please call 508-862-4044 to see if the ballots are in so that you may come to the Clerk's Office and vote before you leave.

Please call us if you have any questions on your voting status. Our phone number is 508-862-4044.

JOIN THE TOWN OF BARNSTABLE BEACH CLEANUPS!

While the summertime beach season is winding down, Barnstable is gearing up for **COASTSWEEP 2019** at local beaches. The main cleanup will take place on **Sunday, September 22, 9 AM – noon at Sandy Neck Beach Park**. Other cleanups will take place at various locations throughout September.

Sponsored by the Massachusetts Office of Coastal Zone Management, thousands of COASTSWEEP volunteers remove debris that would otherwise pollute our oceans, beaches, lakes, and rivers. Participants collect bags of trash and debris, and record their findings onto data cards. The data is sent to the Ocean Conservancy and entered into a massive marine debris database. This information is then analyzed and used to identify the sources of marine debris, which helps to prevent the problem in the future.

If you're interested in volunteering, **contact** Local Coordinator Fred Stepanis at **508-862-4046** or e-mail him at: conservation@town.barnstable.ma.us.
