August 17, 2011

Minutes

11:30 a.m.

Barnstable Senior Center

ATTENDEES: Raye Kaddy, Chair, Linda Cook, Vice Chair, Anne Mazzola, Jim Berks, Jean Boyle, Pat Andres, Al Melcher, Councilor Ann Canedy, Tammy Cunningham, Secretary. Also Present: Dick Andres, resident.

Meeting called to order at 11:35A.M.

The first 10 minutes of the meeting was spent by Members filling in end-of-year goal setting forms, listing the commission goals, and giving an overall rating for the preceding year.

Public Comment – None

Minutes of June 15, 2011 - Jim Berks moved to approve the minutes with amendments, Al Melcher seconded. Al Melcher commented he felt the BDC approving monies to be used towards the funding of curb cuts was establishing a precedent which he disagreed with.

Finance Report – Tammy Cunningham passed out the most recent income statement. The account has gained \$1000 since last year. A discussion was held on various items that were voted on at the June meeting to be expended over the next few months. The Commission asked Tammy to put together a more detailed income statement to include the titles of the expenditures.

Old Business -

Surf Chair request – The Commission received a request from Recreation to fund purchasing of a new surf chair costing \$2900. A recent inventory of the chairs was completed by John Gleason of Recreation and provided to the Commission. A discussion was held on whether to fund the purchasing of the chair. Jean Boyle added she felt it was a good idea because the Commission has been working on strengthening their relationship with Recreation, as well as other Town Departments. Jim Berks agreed. Jean Boyle made a motion to fund the purchase of a surf chair to be housed at the Recreation division, Anne Mazzola seconded.

The Commission added they would like to see recognition for the BDC on the chair. It was suggested they make arrangements with the newspaper to advertise the purchasing of the surf chair by BDC. Also, an email to be sent to Lynne Poyant with a copy to Town Manager Klimm informing them of the commitment of the \$2900 for the purchasing of a surf chair for the beaches.

New Business -

Slate of Officers –

Raye Kaddy, Chair
Linda Cook, Vice Chair
Tammy Cunningham, Secretary/Treasurer

A discussion was held on the combining of Secretary/Treasurer position. Jim Berks will be the head of the Finance Committee. The Commission asked that it be reflected in the minutes that recognition be given to Tammy Cunningham, as ADA Coordinator designee.

Chair Kaddy commented the state booklet recommends no more than 9 members. She is uncertain when Sheila Mulcahy will be returning. The Commission has two more positions available.

Ramp at Polling Place - Councilor Canedy explained she was bringing an item forward on behalf of Frank Gigliotti, Principal of BWB, which also is a precinct polling place. She stated during elections the front door is locked. If assistance is needed, an individual must ring a bell, and someone will come to assist. This is an impediment to voting, and embarrassing to those individuals with physical challenges, as well as those who are elderly. Councilor Canedy has worked with Town Clerk to determine a way to resolve this matter.

At this time, the Town Clerk has no discretionary funds to expend on the purchasing of a handicap ramp for BWB. They have done a lot of research and located a suitcase ramp. The ramp is yellow on both sides, it is portable and can be stored and kept at the location. The cost of a 6 foot ramp is \$385. Councilor Canedy stated they have evaluated the site

and measured. The ramp will fit the curve. Linda Cook made a motion to approve the expenditure of \$385 for the purchasing of a ramp at BWB to be used for elections, Jean Boyle seconded.

Long Beach RFR Long Beach Road - Jim Berks stated since the last meeting he has spoken to Conservation about the possibility of building a handicap accessible trail at Long Beach. He added it is a beautiful area and they are hoping to put in a deck at this location. Linda Cook commented there is an issue with parking at that location. They are looking for \$1000 for the engineering of plans. Jean Boyle commented if people are unable to get their and park, how will individuals use this trail. A discussion was also held concerning Mill Way Beach and its lack of accessibility.

Chair Kaddy asked why this location has been selected. Jim Berks commented the Conservation Land Management owns 3 sites. Councilor Canedy commented Long Beach is a very contentious area. Chair Kaddy recommended holding a site visit at the end of the summer to gather more information. Jim Berks commented this is the only project. Linda Cook commented she is uncertain whether benefits would be realized constructing a trail at this location. Jim Berks to discuss the Commissions concerns with Darcy.

Strategic Planning – Chair Kaddy asked the members to rate according to the rating scale and choose 3 to 5 goals for next year that the members would like to pursue.

The following is a list of goals noted for the upcoming year; disability friendly business guide, complete survey on libraries, continue survey work, continue work on dining guide, office organization, continue to look into applications for projects dealing with accessibility, continue outreach to fund disability projects, membership, grant distribution methods; process and procedures, and MOD access training.

Correspondence, contacts, and communications –

A discussion was held on a phone call from Elder Services looking to see if the BDC is interested in using volunteer services. Assistance could be used in the office and also, with restaurant guide project. To be discussed further.

A discussion was held on the possibility of having an intern hired from Cape Cod Community College to assist with projects and the office. The person would be hired through the temp pool and paid out of the BDC budget. A meeting will be held to discuss this matter.

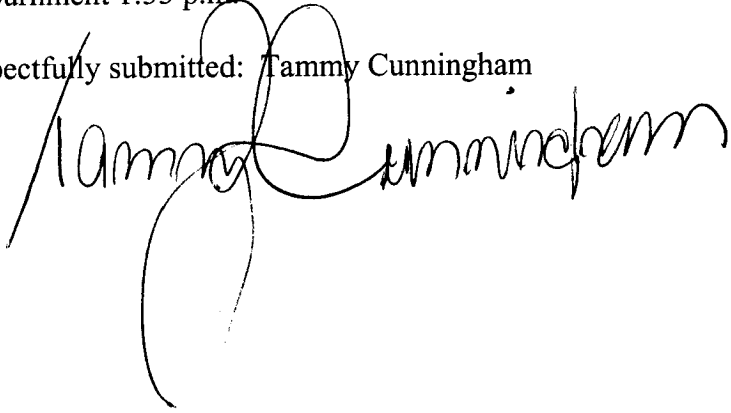

American Red Cross nomination papers were distributed to members present for consideration of nominations for next year.

A discussion was held on the matter at Covell's Beach. The Commission thanked Jean Boyle for all her work.

Next meeting to be held September 21st.

Adjournment 1:35 p.m.

Respectfully submitted: Tammy Cunningham
