Pickleball Overview, Bill Dado - Bill Dado came to state once again, how popular Pickleball has become and to request more time at the HYCC and dedicated Pickleball courts. Patti Machado stated that Pickleball has been on the Town's radar well before Bill's first presentation to the Commission. Patti also informed them that the HYCC is picking up 80% of the cost at the HYCC for the Pickleball use at this time; with the HYCC being an enterprise account, we must bring in revenue to pay for the cost of the HYCC facility, the Town and taxes do not pay for the running of the HYCC. Bill Dado did state he has a good working relationship with Joe Izzo, and they will try to find more time for Pickleball at the HYCC.

John Gleason, Assistant Director - Presented an overview of his job responsibilities to the Commission. John then introduced Mark Boardley, Youth Center Manager, George Noonan, Program Coordinator and Michelle Davies Therapeutic Program Coordinator who also gave an overview of their job responsibilities to the Commission. HYCC SEASONAL STAFF

I want to take this opportunity to publicly recognize the seasonal staff that works in our building for all their hard work and dedication. We have a diverse staff of passionate and hard-working individuals. They are front and center dealing with our patrons' day in and day out and they face a lot of different situations throughout the course of the year (some good, some bad and some just plain weird). I am grateful for their hard work and their willingness to continue each and every day to make the HYCC a great place for people to come.

Staff Report, Patti Machado – Handout (Exhibit C) *Patti Machado stated always say how great our staff is and how hard they work; now they have told you. Patti Machado stated if anyone is interested in job fair to contact Amy Harwood.

Liaison’s Report – Joe O’Brien stated Weston & Sampson are starting to wrap up their Field Study and hopefully in a couple of weeks to a month we should have their findings. Very exciting to see where this may lead us. Kevin Turner requested Joe to ask for more clarification as to why or what has caused a delay in the field study being completed.

Matter’s Not Reasonably Anticipated by the Chair – Kevin Turner stated had the honor today to be at the Best Buddies meeting with Patti and other Town departments involved in having this event run smoothly. Bill Sykes stated that when the gates open at Craigville on Sunday all Best Buddies equipment will be gone from the parking lot, which was a concern from last year.

New Business – Kevin Turner stated would like to invite John Allen, Executive Director of JFK Museum and Emily Rossetti, JFK Museum Educational Consultant regarding civic opportunities for March’s meeting.
