BULLYING VS NATURAL CONFLICT

BULLYING DEFINITIONS

Bullying is unwanted, **aggressive** behavior that involves a real or **perceived power imbalance**. The behavior is **repeated**, or has the potential to be repeated over time.

Bullying is an **ongoing** and deliberate **misuse of power** in relationships through **repeated** verbal, physical and or social behavior that intends to cause physical, social or phycological harm.

Bullying is not...

- Single episodes of social rejection or dislike
- Single episodes acts of nastiness or spite
- Random acts of aggression or intimidation
- Mutual arguments, disagreements or fights
- Conflict rudeness or meanness

CONFLICT DEFINITION

- A disagreement or argument in which both parties express their views
- May cause stress and hurt as relationships are tested or escalate into a disagreement
- Can be uncomfortable, but is usually a means to solving a problem as part of a generally equal relationship
- Completely and totally expected
- Conflict usually ends on its own or through mediation

“Why don’t you channel your aggressive energy to something constructive; like football, rugby or macrame?”

DISCIPLINE POLICY:

We promote and expect four basic principles: **Respect, Responsibility, Safety and Kindness.** Barnstable Recreation Leisure Program offers a quality experience for your child. All that is asked in return is that your child follows the rules and code of conduct. Please read the following policies and discuss them with your child(ren).

Minor offenses include the following:

- Name calling
- Not listening
- Refusal to participate in activities

Major offenses include the following:

- Fighting or other physical contact
- Intimidating/bullying
- Offensive Language
- Destruction of school/Leisure Program property

1st Time: A Leisure Program staff member will speak to parent/guardian

2nd Time: A written warning notice will be sent home

3rd Time: Suspension from the Leisure Program for one day

The discipline policy is subject to change based on the severity of the incident

BULLYING POLICY:

Our philosophy affirms that each of our participants has the opportunity to experience a summer where they can explore new friendships, develop life skills and discover new talents free of judgement or negativity.

Barnstable Recreation addresses all bullying incidents seriously. We encourage our staff to promote open communication within their groups, so that participants feel comfortable letting us know if there are any problems at any point during their camp experience.

At the Leisure Program, every child has the right to the best possible experience, and we will act proactively to ensure that none of the children are denied this opportunity. The Leisure Program believes positive behavior comes from a cooperative effort between children, parents and staff. While we make every effort to establish communication with parents before taking any major disciplinary steps, it is important to note that fighting, demonstration of disrespectful behavior, hitting, biting, bullying, harassing and displaying destructive behavior are grounds for immediate suspension and possible dismissal from the Leisure Program.

SENDING A CHILD HOME/ BEHAVIOR:

If we feel a child is deemed to be unsafe at the Leisure Program, we may choose to send a child home. In the case of any aggressive behavior that could harm a staff member or other child, the child will be sent home immediately. Also, if a child is sick or injured, we will call the parent for pick-up. If the parent cannot be reached then the next person on the emergency call list will be called, and so on!

ADDRESSING CONCERNS:

We encourage you to directly communicate with the staff member who is responsible for your child. Feel free to ask specific questions or offer suggestions to the staff member in order to remedy a situation your child may be having at the Leisure Program.

- Discuss your concern with the site Director
- If not satisfied, contact Michelle Davies (508) 790-6345 X107

SUNSCREEN:

We do not apply sunscreen!!! You and your child are responsible for this, but children are told frequently throughout the day to reapply under the eye of a counselor and the help of a buddy. Please try to apply sunscreen at home and spray sunscreen should be labeled with child's name.

BEACHES:

- You will usually find us close to the lifeguard towers at the beach.
- Our staff form a square in the water where all children swim in the middle.
- A square on the beach is defined with cones for towels and sand play and is properly staffed.
- Cones also show the way from the water's edge to the coned in area on the beach.
- Staff are at the water's edge to assist children with their PFDs and to supervise.
- Please send your child in with a swimsuit, towel, hat, sunscreen (preferably spray) and a water bottle.
- Beach trips are usually from 1-3:30 PM

FIELD TRIPS:

- There will be one fieldtrip per week.
- FIVE STAR will transport to our beach or fieldtrip venues.
- Vehicles will be cleaned after the trip has finished.
- A Field Trip and Beach Trip Schedule will be sent to you via email and are located on site www.townofbarnstable.ma.us/recreation as well as in this handbook.
- The schedules are subject to change due to weather, we will try to reschedule any missed trips that we are able to make up.
- **Children must wear their Leisure Program T-shirt to all outings.**
Please remember to pack your child's snacks, water bottle and sunscreen daily. FREE lunch at CVE, BCIS, BWB & BHS

CHRISTIAN'S LAW:

Christian's Law says that every child at a Summer Recreation Program must pass a Level 3 swim test to be able to swim without a personal floatation device (PFD) that is approved by the Coast Guard.

Christian's Law testing dates:

- BWB & CVE, June 30, Kalmus Beach at 9:30-11:30 & 11:45-1:45

- BCIS: July 2, Kalmus Beach at 9:30-11:30

If your child is testing first thing in the morning please send them in their bathing suits and pack clothes for after.

If your child does not pass Christian's Law: You may provide them with a Coast Guard approved PFD, or we will have one properly fitted for your child with their name on it.

THIS IS THE LAW AND IS MEANT FOR THE SAFETY OF YOUR CHILD
