**Barnstable Harbormaster's Office to Hold Lottery Drawing
for Some Currently Closed Mooring Waitlists**

(Hyannis, MA – August 31, 2022) The Town of Barnstable Harbormaster's Office announces that a lottery drawing will be held for some of the currently closed mooring waitlists. This opportunity will allow individuals, if chosen, to add their name to a mooring field waitlist that is currently closed. Individuals will be able to go online through a link provided on the Town's Website and purchase a ticket for their chance to be added to the waitlist they select.

The three mooring fields chosen for this Lottery are: Cotuit Town Dock/Ropes, Cotuit Oyster Company/Cordwood and Prince Cove. Moorings are highly coveted in the Town of Barnstable and this opportunity will allow 360 lucky winners the chance to be added to the waitlist of their choice

The Lottery will open September 15th at 1:00pm and close October 1, 2022 at midnight. The winners will be chosen at random on October 5, 2022 at 1:00pm.

Disclaimer:

An individual can only purchase one lottery ticket per mooring field; multiple entries will automatically be removed by the Harbormaster's Office. Winners will be chosen completely at random through an online computer system. The Town of Barnstable will not facilitate in anyway the individuals who are selected.

For more information please contact the Harbormaster's Office at 508-790-6273.
