

The Barnstable Bulletin

A MONTHLY
TOWN OF BARNSTABLE
NEWSLETTER

August 2016

From the Town Manager

Dear Reader:

All seven villages in the Town of Barnstable have been bustling with activity. There are so many choices it is sometimes difficult to choose which activities will be included in our weekend plans. There are free, evening concerts in Barnstable Village, Osterville and Hyannis. As the only Town with two teams – the Cotuit Kettleers and Hyannis Harbor Hawks – the Cape Cod Baseball League provides us with plenty of excitement. We are looking forward to the 31st Annual Pops by the Sea concert on the Hyannis Village Green on Sunday, August 14th with The Blue Man Group as Celebrity Guest Conductors. Maestro Keith Lockhart is celebrating his 21st Anniversary with this annual event. LoveLiveLocal is hosting their third LoveYogaFest on Aselton Park August 6th & 7th. If you want to “be in the know” be sure to visit ArtsBarnstable.com – Seven Villages – One Town – All Things Arts & Culture.

Another great summer time activity is the Cape Cod Lifeguard Competition. Lifeguards from across Cape Cod compete in a number of events, testing their swimming, running, agility, and lifesaving skills. Last year our Town of Barnstable Lifeguards claimed first place in the non-surf division, and third place overall. This year’s event will be held at West Dennis Beach on Thursday, August 18th from 8:00 AM to 4:30 PM. We hope you will help us cheer our team on!

Wishing you an eventfull summer,

Sincerely,

Mark S. Ellis

News You Can Use

AUGUST UPDATES...FROM THE TOWN CLERK

Well summer is upon us and the fall elections are closing in – so we have a couple of reminders.

- √ For those of you who may have moved recently, please check with the Town Clerk's office (508-862-4044) to make sure we have your current address on file, if not, you need to update your address with us, so you will be able to vote. If you have not registered to vote – please do so now. Last day to register for the **Thursday, September 8th State Primary** is on Friday, August 19, 2016, the office will be open until 8:00 PM.

- √ If you have students in your family who are going off to college, make sure they stop by or you stop by and pick up an absentee ballot application so that they can vote absentee from college if they are not registering to vote at their college community.

- √ Not sure if you are registered to vote? Call us – better to check now than find out you are not on the voting list or that you are inactive. If you are inactive, you will need to prove you are still living in Barnstable.

REMINDER for DOG OWNERS....

You need to have dog licensed now. If you don't you will have to pay a \$5.00 late fee; but if you wait the late fee will go up. So license your animal now. It is worth it to license your dog. The fine for unlicensed dogs is **\$50.00**. You may license by mail – just send a copy of your current rabies certificate and a check for \$7 if the animal is spayed or neutered or \$10 if they are not (plus the \$5.00 late fee). Please include your email address so that we may remind you of the licensing period next spring.

Any questions...feel free to contact us – Monday – Friday 8:30 a.m. – 4:15 p.m. Have a great summer!

Have a great summer,
Ann M. Quirk, CMC, Town Clerk

Interbeach Swim Meet

Friday, August 5th at noon

Location: Kalmus Beach

670 Main Street, Hyannis

This year we have over 500 participants in Barnstable Swim Lessons and at the Annual Swim Meet each Beach completes for the Championship Trophy.

Superintendent's Corner

Summer Greetings!

This month I enthusiastically begin my official duties as the incoming Superintendent of Schools. I join Barnstable Public Schools as an educator, parent, and new resident of the town. From these multiple vantage points, I am excited to be joining a community that is committed to the success of its youngest citizens. My family, which includes my husband Greg and our four sons ages 14 to 26, is thrilled to begin a new chapter of our lives on the Cape. Our introduction to Barnstable has been filled with warm welcomes and kindheartedness.

As a parent of an incoming Barnstable High School sophomore, what I knew as an incoming superintendent was confirmed as a parent – there are amazing educators, staff and programs within Barnstable Public Schools (BPS). In particular, the comprehensive programming at Barnstable High School is second to none. Students have an array of academic options, engagement with the arts, and opportunities for positive youth development through athletics, clubs, and other co-curricular activities. Similarly, during the course of my visits to schools over the past few months, a recurring theme within BPS is the unwavering focus on the well being of students. I look forward to working with BPS staff, parents, town officials, and community members to build on the strengths of the district and its schools.

I would like to thank the School Committee and Interim Superintendent Bill Butler for their ongoing support and guidance during my transition to Barnstable. Their support created the opportunity for me to spend ten transition days in the district from March to June in order to listen to and learn from Barnstable educators, parents, and students. In order to build upon the work of 2015-16, we are preparing for our Summer Leadership Institute in August with all BPS administrators where we will develop our collective goals and priorities for the 2016-17 school year. Moreover, and most importantly, we will make plans to welcome more than 5,000 students to a new school year filled with unlimited possibilities!

All the best,

Meg

**Superintendent of Schools
Barnstable Public Schools**

Meg Mayo-Brown

News You Can Use

News from the Town Collector

We hope you are having a safe, happy, and healthy summer!

The FY2017 Preliminary Real Estate and Personal Property tax bills were issued and mailed on July 1, 2016. The following is the schedule for payments:

Payment Schedule for Real Estate and Personal Property Taxes for Fiscal 2017

Preliminary Tax Bills will be mailed by July 1, 2016

- √ First Quarter **due** August 1, 2016
- √ Second Quarter **due** November 2, 2016

Actual Tax Bills will be mailed by December 30, 2016

- √ Third Quarter due February 1, 2017
- √ Fourth Quarter due May 3, 2017

We continue to use a Lockbox service to process the payments, which has proven to accelerate the payment posting and the checks getting processed in a timely manner. This service is only for the "open" period of the bill, which means that once the due date is reached, you should mail the payment to The Town of Barnstable, PO Box 40, Hyannis, MA 02601 to avoid a delay.

If you use your own on-line bill payment process, would you kindly check and make sure that the proper address is used for the mailing address (Town of Barnstable, PO Box 40, Hyannis, MA 02601)? These on-line checks must be processed manually and sending them to the Lockbox delays the processing.

If you have any questions or concerns, please do not hesitate to contact our office at 508-862-4054.

Regards,

Maureen E. Niemi

Town Collector

And Staff of Gislaine, Golda, and Laurel

Pumpout Boat

PUMP DON'T DUMP

The Barnstable Pumpout Boats are in service for the boating season through Columbus Day weekend. As the boating season is underway, the pumpout boats run seven days a week. The boats can be easily identified. Both boats are white center console vessels with the lettering "HARBORMASTER" on both sides. **The pumpout boats monitor VHF channels 16 and 09 during operating hours.** Please continue to schedule pumpouts using the email address: pumpout@town.barnstable.ma.us or call the Harbormaster's office at (508) 790-6273. It is helpful to schedule pumpouts in advance. **The shore side pumpout will be available in Hyannis Harbor and Barnstable Harbor through October.**

TRANSIENT DOCKAGE IS AVAILABLE

Events & Activities

News from the Hyannis Youth and Community Center

HYANNIS YOUTH & COMMUNITY CENTER - Come and cool off indoors at the HYCC this summer! With daily access to the Game Room and Walking Track, public skating and scheduled open gym times nearly every day, and so many other drop-in programs like yoga, pick-up hockey and more, there is truly something for everyone to enjoy at the Town of Barnstable's owned and operated Hyannis Youth & Community Center! HYCC Annual memberships are just \$20 for Barnstable residents, \$40 for non-residents and \$5 for a visitor day pass. This month's member drawing is a \$25 gift certificate for the Portside Tavern! Check out the daily schedule on line at www.townofbarnstable.us/hycc. Be sure to "Like" us on Facebook and "Follow" us on Twitter (@CapeCodHYCC) for all the latest updates!

SPECIAL EVENTS: The HYCC Summer High School Sports Leagues involve players from all over the Cape and beyond! Games continue this month and play-offs are set the week of August 14th. Check the HYCC web site and click on "Summer Leagues" for schedule updates and standings!

Senior Center Happenings

Walk & Talk, Let's Move

Aug.4-Sep. 22, 9-10 a.m. Fee-\$24

Are you lacking some motivation to get up and moving? Would you enjoy the company of other walkers and the support of a Wellness Consultant as you work towards your health and wellness goals? You are invited to join Cape Cod Healthy Connections Wellness Consultant, Mary Casali, for a fun-filled time of walking and talking with other like-minded, health-oriented individuals. We will finish each walk with some gentle guided stretching. This program is designed for all fitness levels.

Discovering a Culture through Food-Ireland

Aug. 12, 2-3 p.m. RSVP-\$5

This demonstration will take you to the Emerald Isle with our Director Madeline Noonan and her sister Orla who is visiting for the summer from Ireland. The Irish love their desserts and scones. This program will give you delicious taste and lesson on the culture of Ireland.

Is Your Home "Homefit"

Aug. 18, 1:30-3p.m. RSVP-Free

What if all homes could be suitable for anyone, regardless of a person's age or physical ability? What if a person who wants to live independently, regardless of his or her age or physical ability, could do just that? AARP research consistently finds that the vast majority of people age 50 and older want to stay in their homes and communities for as long as possible. The AARP HomeFit program was created to help people stay in the homes they love by turning where they live into a "lifelong home," suitable for themselves and anyone in their household. The guide offers solutions that range from simple do-it-yourself fixes to improvements that are more involved and require skilled expertise but are well worth the expense.

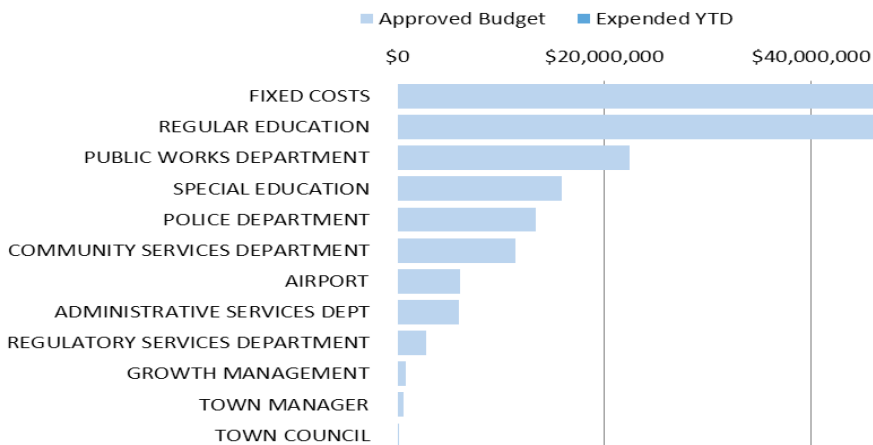

Age of Love

Aug. 19, 1:30-2:30 RSVP-Free

'The Age Of Love' follows the humorous and poignant adventures of a group of seniors in Rochester, NY who sign up for a first-of-its-kind speed dating event for 70- to 90-year-olds. Forced to take stock of life-worn bodies and still-hopeful hearts, they find themselves confronted by the startling realities of seeking new relationships at an unexpected time in life. We will serve desserts. This event is sponsored by the Friends of the Barnstable Council on Aging.

BARNSTABLE'S OPEN BUDGET

Explore Expenditure Budgets: Amounts for 2017 are updated at the beginning of every week

Summary: The town of Barnstable's fiscal 2017 approved budget is available for public view on our Open Budget website. The town recently approved a \$181 million operating budget, which is down (0.07%) from fiscal 2016.

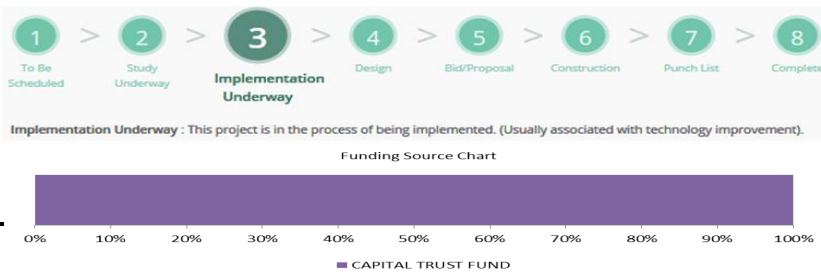

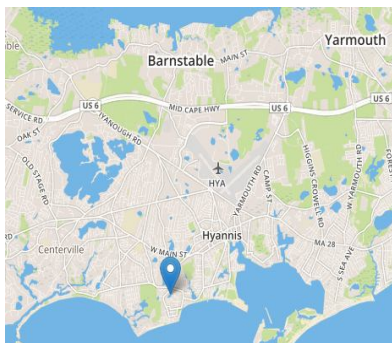

FY17 Operating Budget booklet is available at : <http://www.townofbarnstable.us/Finance/17Budget/budget17.asp>

Explore Capital Budget: Appropriations for infrastructure and improvement projects.

2016-089 Water Quality Schoolhouse Pond - \$55 thousand

Description: The goal is to place one solar power unit for water circulation in Schoolhouse Pond to disrupt the habitat for cyanobacteria. Schoolhouse Pond is listed as a chronic public health concern. The Barnstable Health Division and Massachusetts Department of Public Health have closed it to swimming the last two summers due to the toxic algae blooms and visibility of less than four feet. Toxic algae can cause skin and eye irritation and gastrointestinal illness. Children and pets are particularly at risk. The pond is listed as a high priority on the Action Plan for Barnstable Ponds 12/31/2009. Other project objectives include improvement to water quality, pH and oxygen fluctuations and fish habitat. Solar power units are currently being used with success in other Cape towns.

Location:

The Town of Barnstable's operating and capital budgets are now online at <http://budget.townofbarnstable.us>

News You Can Use

HURRICANE PREPAREDNESS

According to the Cape Cod Emergency Preparedness Handbook: "Of all the natural disasters that might affect Cape Cod, hurricanes have the potential to cause the most property damage and loss of life if adequate planning and preparation is not undertaken."

There is much you can do to better prepare yourself and your loved ones in the event we experience a significant weather emergency. In general, it is recommended that you do the following at the onset of Hurricane Season (officially started June 1st) here on Cape Cod:

1. Make a disaster plan for yourself, your family and your pets. Be sure you review it carefully with all members of your family.
2. Compile a Disaster Survival Kit.
3. Familiarize yourself with the flood risk in your area, as well as the location of the nearest emergency shelter.
4. Be prepared, ready and willing to follow the explicit directions of emergency preparedness.

Developing Your Emergency Disaster Plan

While Hurricanes can devastate communities, we have ample warning time with which to enact a plan to insure the safety of ourselves and our loved ones.

When developing your disaster plan consider the following:

1. Where the emergency shelter is in your area.
2. What is your evacuation route.
3. The elevation of your property above mean sea level.
4. Whether or not you are located in an evacuation zone.
5. If you plan to relocate in the event of a storm, where exactly do you plan to go? Make these preparations now and be sure a call to confirm will not be required as telephone communication may not be possible.
6. What will you do with your pets during an emergency? Remember, shelters **DO NOT** allow pets.
7. Know where the emergency shut off is in your home for electricity, the main panel, and for water and natural gas.
8. Be sure any / all important documents are gathered in one place.
9. Prepare your Survival Kit.

The Emergency Survival Kit

Should meet the needs of yourself and your family for at least 72 hours.

- ◆ Non-perishable packaged or canned foods that require little or no preparation. Don't forget a can opener! (Soup, peanut butter, canned juices, vegetables, crackers, jelly, trail mix, etc.)
- ◆ One gallon of water per person per day, extra for pets. Store water in sterile, plastic containers such as empty soft drink bottles. Be sure to change every six months.
- ◆ A basic first aid kit.
- ◆ Battery operated radio and flashlight with extra batteries.

Remember, in the event of a severe storm:

1. Secure all outdoor objects.
2. Stay away from windows.
3. Fill your tubs and sinks with water to use in your toilets if necessary.
4. Keep an eye on vulnerable neighbors.
5. If you are asked to evacuate, don't hesitate to do so!

The Emergency Shelter Location for the Town of Barnstable is: Barnstable Intermediate School, 895 Falmouth Road (Route 28), Hyannis (pets allowed)

Our designated Emergency Alert Radio Station is WQRC 99.9 FM. WBZ 1030 AM is the alternate station.

Kennedy Legacy Walking Trail

The Kennedy Legacy walking trail guides visitors to 10 important Kennedy family sites in downtown Hyannis. At each site, an informational sign uncovers stories and history about the Kennedy's on Cape Cod. Sites include the Hyannis Armory, where presidential candidate John F. Kennedy gave his acceptance speech, and the Kennedy's church, St Francis Xavier, where Rose Kennedy and other family members attended mass. Take the walking tour to gain an understanding of the Kennedy family's ties to Cape Cod.

The walking trail is 1.6 miles in one direction, and takes approximately 1 hour to complete. An additional 30 minutes should be allotted to walk back to the beginning of the trail.

During the peak summer season, a free trolley can be taken to make the return trip. Brochures with a map of the sites can be downloaded at <http://www.kennedylegacytrail.com> and are also available at the JFK Hyannis Museum at 397 Main Street, Hyannis.
