

The Barnstable Bulletin

A MONTHLY TOWN OF BARNSTABLE NEWSLETTER
MARCH 2018

FROM THE TOWN MANAGER

Our Town Treasurer Debra Blanchette announced that the Town received competitive bids from bond and note underwriters on Tuesday, February 13, 2018, for a \$9,875,000, 20-year bond issue and a \$2,575,770, 1-year taxable note issue. Janney Montgomery Scott LLC was the winning bidder on the Bonds with an average interest rate of 2.73%. Century Bank was the winning bidder on the Notes with a net interest cost of 2.0%. The Town received a total of 10 bids on the Bonds and 5 bids on the Notes. Bond and Note proceeds will be used to finance various capital projects.

Prior to the sale, S&P Global Ratings, a municipal bond credit rating agency, affirmed the Town's 'AAA' bond rating, the highest rating attainable. The rating agency cited the Town's very strong economy, very strong management with strong financial policies and practices, strong budgetary performance, very strong budgetary flexibility, very strong liquidity, strong debt and contingent liability profile, and strong institutional framework as positive credit factors. Credit and thanks go to Mark Milne, our Finance Director, Debra Blanchette, Town Treasurer, and the Finance Department for their efforts.

The budgeting process continues. This is a year-round process, but this is when we finalize our needs. Our Senior Staff has submitted budget requests. We will keep performing at a high level and, as always, continue keeping a close eye on our spending. We will start with the Capital budget in early spring and then move on to the Operating budget.

The Barnstable Youth Commission is hosting the 4th Annual Community Substance Abuse Prevention Forum on Thursday, March 15th at 5:30 PM at Cape Cod Community College's Tilden Arts Center. The Barnstable Police Department will be providing a panel of officers to talk about what to look out for with your children. On Friday, March 16th, the entire seventh grade class will participate in the 4th Annual Youth Summit which will feature Dynamic Influence, Kevin Rosario from Gosnold of Cape Cod, and Barnstable High School's Peer Leaders and activities. It's a full day of learning while having fun and gaining tools for healthy decision making.

The calendar says that we will be "springing forward" on Sunday, March 11th and the first day of Spring is Tuesday, March 20th. I am ready to give Spring a hearty welcome!

Mark Ellis

Many thanks to all that have returned the census forms. REMINDER: It is never too late to turn in your census form – remember if you have moved or anyone has moved in or out of the household – we need the current address where you or they are residing. Returning your census form to us, assures your information for voting is current.

The 2018 State Election is scheduled for Tuesday, November 6th. The Primary Election is scheduled for Tuesday, September 4th, the day after Labor Day. Remember your vote is your voice!

Dog licenses for 2018 will be ready for sale the 7th of May. HOWEVER, if you don't have a 2017 license you need to get it now. You cannot skip a year. Once your dog is 6 months old you need to get it licensed.

If you intend to purchase your dog tag by mail, please include a stamped self-addressed envelope along with your check made out to the Town of Barnstable (\$7.00 if spayed or neutered; or \$10.00 for male or female). Don't forget to send us a picture of your dog for the Barnstable's Best Dog Contest. The winning canine will earn the #1 dog tag and be featured on the website.

Fuel storage tank annual registrations will be going out in the mail in the month of March to those who have an existing fuel storage license.

For questions on voting, business certificates, elections, census, vital records, marriage intentions, etc., please call us at any time – Monday – Friday 8:30 AM to 4:30 PM at 508-862-4044.

As always we are here to assist you.

Ann M. Quirk, CMC/CMMC, Town Clerk 508-862-4044

FROM THE TOWN COLLECTOR'S OFFICE:

Just a friendly reminder: The third quarter real estate taxes and personal property taxes were due back on February 1st.

The first and largest commitment of 2018 Motor Vehicle Excise Tax bills were issued on February 21, 2018 and will be due on March 23, 2018. Once again, I would like to remind you that once a bill is issued, you must pay the bill or the bill must be abated as no bill just goes away. Please don't get caught up in paying additional fees and jeopardizing your driver's license! There are also a few 2017 Motor Vehicle Excise Tax bills being issued at the same time, which are delayed commitments from the Registry of Motor Vehicles.

The third quarter commitment of Utility Billing (sewer bills) was issued on February 26, 2018 and will be due on March 28, 2018.

If you have any questions, please do not hesitate to call our office at 508-862-4054.

Looking forward to Spring!

Regards,

Maureen E. Niemi, Town Collector and Staff of Golda, Jennifer and Laurel

Superintendent's Corner

In Barnstable, education is far more than the state's tested subjects. Schools continue to support the development of the Whole Child, knowing the power of music and art to support creativity, self-expression, intellectual development, and overall well-being. The events described below give us the opportunity to celebrate the collective efforts of our students, families, and educators, showcase the incredible talents of our amazing Barnstable students, and signal the significance of the arts within the lives of our students and great community.

Scholastic Art Awards

The Scholastic Art Awards announced the winners for this year's competition and Barnstable High School was well represented with 15 students taking home awards. The following students were recognized for their excellent work: Julia Brahms, Caroline Brodt, Celita Cadet, Eva Cotreau, Olivia Eldridge, Gabriella Gray, Victoria Hall, Matthew Higginbotham, Artemis Hukalowicz, Bijon Luczkow, Samantha Lydon, Emily McKinnon, Madelyn Murphy, Zachary Nelson, and Chyna Rothwell.

The Scholastic Art Awards have been recognizing the outstanding work of young artists for close to 100 years. Past recipients have gone on to impact the art world and culture at large in a myriad of ways and include figures like Andy Warhol, Robert Redford, and Truman Capote. Students work is nominated by their art teachers to be put into a regional competition -- Gold Key winners from this pool are sent on to compete at the national level. Barnstable has had students win national awards the last two years.

We are very lucky and thankful to have the support of the Cobb Fund -- they cover the application fee for our students and make it possible for many to enter who would not otherwise be able to.

Barnstable High School Students Art in Town Hall

Barnstable High School Art Department Head Matt Kemp brought his students along with local artists and a naturalist to Sandy Neck Beach this past Fall for inspiration and sketching. Their work was on display in Barnstable Town Hall from January 15th – February 28th. At the February 7th School Committee Meeting, four of the students spoke about their experiences at the House at the Halfway Point at Sandy Neck and the art it inspired them to create. The pieces featured included kinetic art, watercolors, and multi-dimension art. Some of the artwork is shown here.

The All Cape and Islands Music Festival

Barnstable Public Schools hosted The All Cape and Islands Music Festival February 1–3, with an amazing concert on February 3rd. I was lucky enough to attend the concert and see the passion these students from around the Cape and Islands have for music and their performances. Barnstable High School had 22 grade 9-12 students participate in the music festival.

The All Cape and Islands Music Festival consists of auditions held in November and a three-day concert festival in February. At the audition festival, judges assess over 330 grade 9-12 students from 15 Cape and Island schools. The students who receive the highest scores are invited to participate in the concert festival. This concert showcases the hard work and dedication of these students and their desire to advance their craft.

BHS Drama Club presents *She Loves Me*

The Barnstable High School Drama Club is proud to present *She Loves Me* in the BHS Performing Arts Center on March 16, 17, 18, 23 & 24. This show is considered by many to be the most charming musical ever written. Tickets can be purchased online at BHSDC.org or at the box office the day of the show. I hope to see you there.

This becomes very serious when we personally need care, or even more so when we are involved in helping a loved one get the care they need. In this session we will offer attendees a clearer view of what they are dealing with, what they need to know, and how to access, plan and get the care they need. This presentation and discussion will be facilitated by Dave Harrington, a local social worker and now the founder of "Helping-You-To-Care".

Flynn Jr. NRP, Director Cape & Islands EMS (Chief Harwich Fire & EMS Retired) and Firefighter / Paramedic Donna Rex of the Barnstable Fire Dept., will be discussing what you need to know when you call 911. This is an important and informative, interactive program given by professionals in the field. Bill & Donna will discuss critical information that will help household members better determine when to call 911, and what to expect when they do. Questions such as: What happens when I call for an ambulance and when should I call? When does a fire engine come and why? What is the level of care provided by your local Fire-Based/ Advanced Level - Emergency Medical Service Providers and what hospitals do they go to? will be answered.

Vietnam Veterans Recognition Day -- Thu. Mar. 29, 1:30-3:30 p.m. RSVP-Free Vietnam Veterans Day commemorates the sacrifices of Vietnam veterans and their families and is part of a national effort to recognize the men and women who were denied a proper welcome upon returning home more than 40 years ago. FLY TODAY AT HYA

A constant comment made to the Airport by many Cape and Island residents, second home owners and visitors is that flying to/from Hyannis (Barnstable Municipal Airport or HYA) would be the preferred way for air travel versus going to Boston's Logan International or Providence's T.F. Green Airport for business or vacation travel. Reoccurring comments are: 1) options are seasonal and leave off-peak travel at a disadvantage; and 2) more daily flights to/from Hyannis would allow for better connections to the larger national/international air system.

With these concerns in mind, the Airport wanted to collect feedback regarding air travel service. The goal of the air survey is to determine the air transportation needs for our Cape and Islands communities and to relay these needs to airlines with the intent of added additional passenger service.

The Airport serves as a distinct commercial transportation hub by meeting the regional demand for air transportation, providing travel opportunities from Hyannis to Boston and the islands of Martha's Vineyard and Nantucket; seasonal jet service between New York and Hyannis; and to other major destinations across the country. Cape Air/Nantucket Airways, Rectrix Shuttle, and JetBlue (seasonally) are our airline partners.

Please take a moment to take our survey. It will take you less than 5 minutes.
